Annual Report

Town of Rindge New Hampshire

For the year ending December 31, 2008

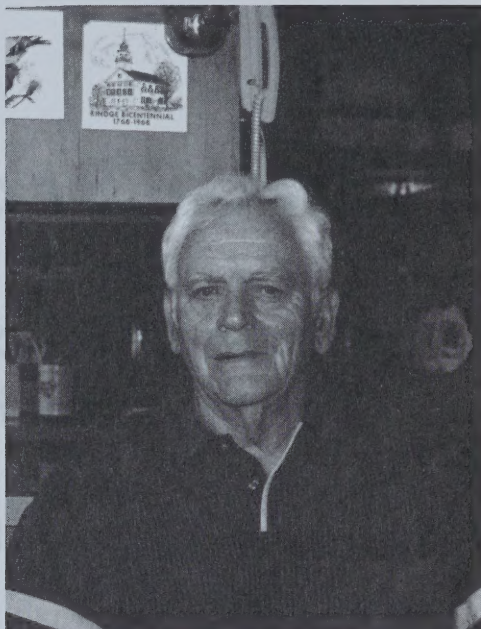

N. H. STATE LIBRARY

MAY 01 2009

CONCORD, NH

Dedication

Ralph L. Hoyt, Jr.

Ralph Hoyt Jr. of Old New Ipswich Rd passed away on January 14, 2008. Ralph was born in Rindge and was a lifelong resident. He was the Postmaster in the Rindge Post Office for 20 years until his retirement. Previous to that he was a mail carrier for 19 years. He served on the Rindge Fire Department for 30 years and was a past Fire Chief. Ralph was also a Selectman, the Town Auditor and a charter member of the Rindge Historical Society, which he was a director of at the time of his death. When he was a boy, his family lived in the house that is now the Hoyt/Allen Museum of the Historical Society.

Ralph was a member of the West Rindge Methodist Church and a former Treasurer and Trustee of the church. He was also a member of the Rindge Veterans Association, a Deputy Forest Fire Warden for 42 years and a former director of the Jaffrey-Rindge Ambulance Foundation.

Dedication

Dedication

Arthur C. Speros

Arthur Speros of Blueberry Lane, passed away on December 12, 2008. Arthur moved to Rindge in 1972 with his wife Sandra, after he retired. He served on the Budget Advisory Committee, Capital Improvements Committee and the Regional Purchasing Committee. He was the commodore of the Monomonic Lake Sailing Association and enjoyed painting with watercolors.

Dedication

Dr. Gerald W. Parker

Dr. Gerald W. Parker passed away on July 15, 2008. Dr. Parker moved to Rindge in 1997, and was very active in the community. He served on the Rindge Planning Board, the Conservation Commission and was the Town's Health Officer. He was also an active and founding member of the Jaffrey-Rindge Rotary Club and served on the executive boards of the Hampshire Country School and the Jaffrey-Rindge Ambulance. He belonged to the Rindge Historical Society and was a member of the Rindge Veterans Association.

Dedication

Dedication

Donald O. Smith

Donald O. Smith, a summer resident of Conifer Rd, passed away on December 16, 2008. He summered in Rindge, NH for the past 33 years and had been active in many local charitable causes. The bandstand on the Rindge Common was graciously donated by Mr. Smith, as was a bench at the new Recreation building.

Vision Statement

Rindge is a community committed to managing the balance between the collective vision of its residents, the dictates of its environment, and its commercial needs. We will accomplish this by relying on individual diversity and active participation of all community segments in preserving the town's natural assets and small town, rural flavor.

Mission

We demonstrate commitment and support of our vision for the community, its natural resources, commercial, residential, and environmental needs by...

- Encouraging each member of the community to participate in and support town committees, organizations and their related activities.
- Providing activities for a wide cross-section of our community that promote inclusion, discussion and communication, including periodic forums such as the Rindge Community Profile.
- Conserving and managing our natural resources through the thoughtful and deliberate support of updating our Master Plan, consistent implementation of Town Meeting decisions related to zoning, conservation and other related activities.
- Supporting and encouraging the development of locally owned farms, businesses and cottage industries through local incentives, information exchanges and exhibits.
- Preserving and promoting the history, lore, traditions, and arts and crafts of our community.
- Planning for the growth and development of quality services to support our community such as education, social services, fire, police, highway, and recreation departments.
- Establishing and maintaining a cooperative open partnership between business, civic, non-profit, religious, educational, and town interests through regularly scheduled opportunities for dialogues.
- Continuing to foster business development by proactively attracting businesses and industries that will work in a cooperative partnership with the town.

Report of the Town Administrator

The defeat of the operating budget at the 2008 Town Meeting presented a challenge that the town administration had never been faced with before. The Department Heads and I took a long hard look at the budget to figure out how to live with \$135,000 less than budgeted. A proposal was developed and brought before the Board of Selectmen for their approval. Transfers were made from the road projects budget to cover materials and overtime in the Highway department and other areas. A difficult decision was made to cancel the Family Festival.

Town Committees were very busy in 2008. The Senior Housing Committee made great progress, working with Southwestern Community Services, toward building housing behind the Town Office. In April a new Workforce Housing Committee was formed and began familiarizing itself with new legislation requiring towns to provide opportunities for workforce housing. The Committee also met with Southwestern Community Services to explore building workforce housing on a town-owned parcel of land on Cromwell Drive. The Telecommunications Committee was pleased to see citizens signing up for the wireless Internet services offered by Granite Connection. The Committee sponsored a Telecom Forum in June, showcasing the various technologies available to Rindge residents.

In the summer we began discussions with Ella Dale and her son about purchasing her property behind the Library. An agreement was reached, subject to authorization from the Court for a Special Town Meeting and Town Meeting approval. The Court granted the Special Town Meeting, but the voters did not approve the purchase.

We had several personnel changes in 2008. Mike Cloutier accepted the position of DPW Director, vacated by Robert Forrest. Mike has worked for the town for 16 years, most recently as the foreman, and made a graceful transition. He knows the operation inside and out and is a valuable team player. George Fish and Rob Millet joined the Highway Department crew. David Grubb was hired as the Program Coordinator in the Recreation Department. He quickly got up to speed and was well received by the residents of town. Ed Cody and Jeffrey Seppala joined the Police Department as part-time officers.

The Rindge Connection, which was started in November 2007, celebrated its one-year anniversary. The newsletter was published each month except July and August, as planned. Citizens have responded favorably to the communication. Articles have been written about each of the major departments in order to educate people about the services each offers and their budgetary impact.

As we approached the 2009 budget season, there was much discussion about the economy and its impact on Rindge households. Department Heads were asked to consider ways to keep budgets in check, while maintaining essential services. Plans

Report of the Town Administrator

for the Public Safety Building were put on the back burner, and the focus was shifted to addressing urgent safety issues in the police and fire stations.

One of my goals for 2008 was to learn more about the School and County budgets in order to assist the Selectmen in representing all Rindge taxpayers' interests. I have been attending the County's Executive Committee meetings Friday mornings, whenever possible, to increase my understanding of the County Budget. In the January 2009 edition of the Rindge Connection I wrote an article explaining how the school and county impact the local tax rate.

As we head into the New Year, I will continue to work on improving communication with the residents to ensure that people are informed about town issues. I am also focused on the issue of increasing high speed Internet access and improving our cable television service. I am available to speak with residents about these and any other issues. Please don't hesitate to call, email, or stop by anytime.

Respectfully Submitted,

Carlotta Lilback Pini
Town Administrator

Report of the
Town Administrator

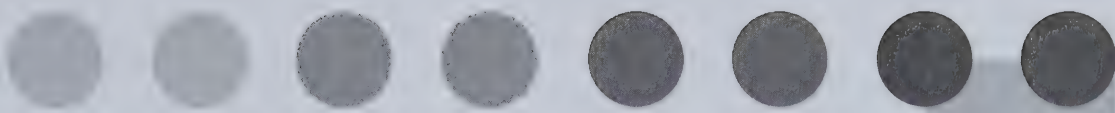

Report of the Board of Selectmen

The year 2008 brought with it many challenges as well as many opportunities. It will forever be remembered as the year of "The Ice Storm". This devastating act of Mother Nature taught us many lessons about ourselves and as we look forward, we plan to use this new knowledge toward creating a better, safer and more efficient Rindge.

Communication is the key to success and Town officials worked on improving all forms of communication throughout 2008. During the Ice Storm debriefing, residents voiced their complaints and concerns about the lack of communication in the initial days after the disaster, and we are determined to upgrade our abilities and resources in order to better share information with our citizens throughout town. The introduction of another Internet provider in town, the birth of The Rindge Connection and The Telecommunications Forum were all successful means of increasing our ability to transmit information. Internally, The Board of Selectmen held two "All Board" meetings, which brought Town employees, board members and volunteers to the table to share their thoughts, goals and issues. Many changes in procedures resulted from these meetings and our wish is that these continue, allowing all members of our community to be heard and learned from.

One of the lessons we learned was we need to be self-sufficient in emergencies for up to six days. As we look forward to the future, one of our goals is to insure that Rindge is capable of this kind of sustainability. The Ice Storm highlighted the woeful inadequacy of our Public Safety Buildings and underscored the need for new facilities. The need for generators and more sophisticated computer back-up systems to protect our Town records, precious artifacts and books was made abundantly clear and we were thankful that our Library, Town Hall and Town Offices were spared major loss or damage.

Rindge is a college town and our relationship and communications with Franklin Pierce University remains a top priority. It is clear that we are largely defined by the presence of this institute of education, which continues to provide much to and for our town. A Memorandum of Understanding was reached this year between the University and our Fire Department, and talks continue on how we can work together in other ways to enhance and enrich our community.

Report of the Board of Selectmen

Rindge has seen hard times in the past and we are currently in another one of those times. While the economy struggles, those of us in Town government are ever mindful of how our decisions impact our fellow citizens. We will continue to work for the common good, knowing that as we move forward all our plans and diligence will lead Rindge into better and brighter economic times. In this spirit we look back on the successes and challenges of 2008 and are working toward a prosperous 2009. Thank you for allowing us to serve you.

Respectfully Submitted,

Patricia Lang Barry, Chairman
Rindge Board of Selectmen

Report of the
Board of Selectmen

Report of the Budget Advisory Committee

The Budget Advisory Committee started the budget season with two strikes against it. One, the voters rejected the last year's budget, leaving the town to operate with the Default Budget, which was our 2007 budget plus contractual commitments. However, operating the town in 2008 with 2007 restrictions required shifting money between Departments and hampered its ability to provide services demanded by residents.

Secondly, three members of the BAC resigned. Les Cypret retired, Kathy Sinel resigned, and Jake Pyhala left Rindge to seek employment elsewhere. We recruited new members to fill their shoes and welcomed Julie Skinner-Brown and TerryAnn Saint-Towers who quickly caught on and provided us yeoman's effort.

Once again, we met with each Department Head to discuss their problems, which often involved dealing with 2008 demands and 2007 budget money. The Fire Department answered more than 700 calls with a limited cadre of volunteers. The Police Department somehow kept high-mileage cruisers on the road with limited funds for maintenance.

I am particularly grateful to Dan Aho, Susan Emerson, and Pat Barry (our ex-officio member) for all the work they put into the effort this year. Delays and our commitment to keep the budget tight meant hours of hard work compressed into a shortened season.

Those who become involved in the annual budgeting effort find it to be hard but rewarding work, providing participants a unique opportunity to learn more about how our local government works. And that's a good thing.

Respectfully submitted,

David E. DuVernay, Chair
Rindge Budget Advisory Committee

Report of the Capital Improvements Program Committee

The CIP Committee met with the Selectmen, with Town of Rindge Department heads, and separately as a committee several times to develop a capital improvement program to meet the needs of the Town of Rindge for the years 2009-2014. We recommended a plan with contribution level beginning at \$290,000 in 2009 and rising gradually each year to about \$370,000 in 2014.

These funds would be saved to replace fire trucks, police vehicles, public works equipment, the next revaluation and a further addition to the library. The higher levels of funding were necessary to build up the CIP Fund depleted by withdrawals and transfers to the General Fund in prior years.

Unfortunately, due to the economy and budget constraints, the levels of funding and withdrawals for 2009 have been reduced by the Selectmen, although certain recommended expenditures such as a police vehicle and a public works truck will be funded, partially, from the town budget.

Respectfully submitted,

Ted Covert, Chair
Rindge Capital Improvements Committee

Report of the Workforce Housing Committee

In April a proposal to create a Workforce Housing Committee was unanimously approved by the Board of Selectmen. The Committee initially met with Ben Frost from NH Housing to learn about the new legislation (RSA 674:59-61, effective July 1, 2009) requiring cities and towns to provide opportunities for workforce housing in a majority of residentially zoned land. The Committee also met with Southwestern Community Services to explore the possibility of developing workforce housing on a town-owned parcel of land on Cromwell Drive.

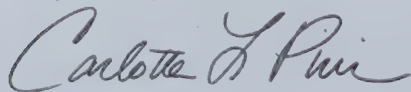

The town applied for a NH Housing Inclusionary Zoning grant and was awarded \$6,000 to hire a consultant to help insure the town's Zoning Ordinances comply with the new requirements. After interviewing several consultants certified by NH Housing, we hired Roger Hawk. He met with the Workforce Housing Committee and the Planning Board to explain the need for workforce housing. The Planning Board was pleased to learn that its existing Planned Unit Residential Development (PURD) Regulations could be modified to meet the requirements of the new law. Mr. Hawk has been meeting with the Planning Board's PURD Subcommittee in order to implement these modifications

Southwestern Community Services showed a strong interest in developing the Cromwell Drive site and presented a proposal to the Committee and the Board of Selectmen. The Committee has discussed a variety of smart growth strategies for the Cromwell Drive site, including clustering buildings, siting driveways in the rear to create a village feeling, and designing housing in keeping with the rural residential character of Rindge. The Committee has also explored ways to keep operating costs down by using solar or geothermal heat and state-of the-art insulating techniques, as well as energy efficient fixtures and appliances. The Committee has been in contact with State Senators and Representatives to learn about any grant opportunities which might assist in these efforts.

The planning for Cromwell Drive is in its very early stages but the site, which is currently off the tax rolls, offers the exciting possibility of providing affordable housing for citizens of Rindge, restoring the property to the tax rolls, and providing a model for the creation of a rural residential village in Rindge.

The Committee with input from Town Counsel developed a warrant article seeking authorization to sell the land and presented it to the Board of Selectmen. The Selectmen agreed to give the voters an opportunity to weigh in on the proposal at the March Town Meeting. The Committee looks forward to continuing its work in 2009.

Respectfully submitted,

Carlotta Lilback Pini
Town Administrator

Jane Pitt
Planning Director

Jonah Ketola

Phil Stenersen

Write-in _____

Write-in _____

LIBRARY TRUSTEE – 3 yrs.

(Vote for no more than two)

Bruce Clark

Nancy Little

Write-in _____

2. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO.1 TO THE TOWN OF RINDGE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: amend Article XIX (Definitions) of the Zoning Ordinance, Paragraph 31 (Student Housing) as follows: "(a)A building or buildings or structures principally used, designed and/or adapted for the purpose of providing housing for students including, but not limited to, dormitories; (b) A Dwelling Unit or Units occupied by students, which Unit or Units have been directly or indirectly contracted for and/or provided by the educational institution (or its agent) which the students attend." (Recommended by the Board of Selectmen, 3 in favor, 0 opposed)

A "yes" vote would clarify the definition of "Student Housing" to include not only on-campus housing units and dormitories, but also off-campus housing units directly or indirectly contracted for and/or provided by the educational institution.

2009 Town Warrant with Explanations

3. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO.2 TO THE TOWN OF RINDGE ZONING MAP AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: amend the Zoning Map by removing Tax Parcel 2-45 (Dale Farm Road) from the Business/Light Industry Zoning District and placing it in the Residential/Agricultural Zoning District. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed)

A "yes" vote would rezone this vacant parcel from the Business/Light Industry Zoning District to the Residential/Agricultural Zoning District which it abuts.

4. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 3 TO THE TOWN OF RINDGE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: amend the Rindge Aquifer Protection District Ordinance to designate the aquifer map to be used; include all aquifers within the map boundary; clarify the procedure for amending designated aquifer zones; adding dry cleaning facilities, landfills, solid waste transfer and recycling facilities, incinerators and commercial composting facilities as prohibited uses in the Aquifer Protection District; adding surface storage of petroleum products and by-products, distillates and other hazardous materials to the list of conditional uses; revising the standards for the issuance of Conditional Use Permits; and revising, expanding and clarifying the list of Definitions. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed)

A "yes" vote would define the boundaries of the Aquifer Protection District in accordance with the updated map; clarify the process by which the District boundaries can be amended; add certain new definitions; and clarify existing definitions.

5. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 4 TO THE TOWN OF RINDGE SIGN ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: amend the Rindge Sign Ordinance to add the Gateway East and Gateway Central Zoning Districts to the provisions of the Sign Ordinance; provide size specifications for charitable, political seasonal and temporary signs; and make other minor technical corrections to the Ordinance. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed)

A "yes" vote adds the Gateway East and Gateway Central Zoning Districts, which were enacted in September 2008, to the provisions of the Sign Ordinance and allows for minor clarifications and technical corrections to the Sign Ordinance.

6. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 5 TO THE TOWN OF RINDGE SIGN ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: amend the Rindge Sign Ordinance to allow off-premises real estate directional signs as follows: "Only one Real Estate Directional Sign is allowed at an intersection for all houses for sale on any road connecting to that

2009 Town Warrant with Explanations

intersection. Such a sign shall be a 6 inch by 24 inch hardboard sign, printed on one or both sides and anchored to the ground and supported by a 50 inch tall steel frame in accordance with the design specifications contained in Appendix A hereto. No Real Estate Directional signs may be placed in the right of way." (Recommended by the Board of Selectmen, 3 in favor, 0 opposed)

A "yes" vote would remove the Town-wide prohibition against off-premises real estate signs and allow such signs, provided they comply with restrictions as to number of signs, location and design set forth in this Article.

7. Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million Four Hundred Seventy-seven Thousand Four Hundred Seventy Dollars (\$3,477,470)? Should this article be defeated, the default budget shall be Three Million Four Hundred Twenty Thousand Nine Hundred Ninety-Six Dollars (\$3,420,996) which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in ANY warrant article. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 4 in favor, 1 opposed)

A "yes" vote would approve the operating budget proposed by the Board of Selectmen, and recommended by the Budget Advisory Committee. The operating budget is 3.4% higher than last year's budget, which was the default budget (2007 budget with certain adjustments). If it is defeated, the default budget (2008 budget with certain adjustments) goes into effect.

8. Shall the Town vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the following funds previously established: Fifty Thousand Dollars (\$50,000) into the Fire Department Equipment Capital Reserve; Twenty-Five Thousand Dollars (\$25,000) into the Revaluation Capital Reserve; and Twenty-Five Thousand Dollars (\$25,000) into the Meetinghouse Maintenance Expendable Trust Fund. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would authorize the following additions to capital reserve (savings) accounts be made:

\$50,000 would go into the Fire Department Capital Reserve. There is approximately \$120,000 in there now, and the Capital Improvements Plan (Town's plan for major

2009 Town Warrant with Explanations

expenditures over next six years) includes the replacement of a fire truck (26E2) in 2011 for approximately \$250,000.

\$25,000 would go into the Revaluation Capital Reserve. There is approximately \$52,700 in there now, and the Capital Improvements Plan (Town's plan for major expenditures over next six years) calls for a revaluation in 2010, at a cost of approximately \$100,000.

\$25,000 would go into the Meetinghouse Maintenance Expendable Trust Fund. There is approximately \$20,187 in there now, and the Capital Improvements Plan (Town's plan for major expenditures over next six years) calls for extensive work to the bell tower and painting of the building in the coming years.

9. Shall the Town vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purchase of fireworks, employee wages, and other incidental expenses in connection with the planned July 4th Celebration to be held in the Town of Rindge? (Not recommended by the Board of Selectmen, unanimously. Not recommended by the Budget Advisory Committee, unanimously.)

A "yes" vote would authorize \$10,000 to be spent on a July 4th Celebration. If it is defeated, the Town cannot hold a July 4th Celebration, under the law.

10. Shall the Town vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) for forest fire equipment and gear, said expenditure to be partially offset by a grant from the State for Two Thousand Dollars (\$2,000)? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A "yes" vote would authorize \$4,000 to be spent on forest fire equipment and gear. The Town has already been approved for the \$2,000 grant. The balance of \$2,000 would come from taxation.

11. Shall the Town vote to raise and appropriate the sum of One Hundred Forty-Eight Thousand Dollars (\$148,000) for the purpose of purchasing a plow truck with a plow, sander, and associated accessories, and authorize the withdrawal of Fifty-Three Thousand Dollars (\$53,000) from the Capital Reserves created for that purpose? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would authorize \$148,000 be spent on a plow truck equipped with a front plow, wing plow, and sander. This would replace the 1993 6-wheel, 8-yard plow truck, which has significant body rust and which requires costly mechanical repairs. \$53,000 would be withdrawn from the Highway Equipment Capital Reserve Fund, and the balance of \$95,000 would come from taxation.

2009 Town Warrant with Explanations

12. Shall the Town vote to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000) for the purpose of purchasing a police 4 Wheel Drive vehicle and associated accessories and authorize the withdrawal of Twenty-Four Thousand Dollars (\$24,000) from the Capital Reserves created for that purpose? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would authorize \$35,000 be spent on a 4 Wheel Drive vehicle and associated accessories. This would replace the 2000 Ford Explorer, our only 4 Wheel Drive vehicle, which has over a 100,000 miles, significant body rust and has required costly mechanical repairs. \$24,000 would be withdrawn from the Police Cruiser Capital Reserve Fund, and the balance of \$11,000 would come from taxation.

13. Shall the Town vote to establish a capital reserve fund, under the provisions of RSA 35:1, for the purpose of purchasing and installing generators and associated equipment in municipal buildings, and to raise and appropriate the sum of Twenty-Three Thousand Dollars (\$23,000) to be placed in this fund; and to name the Board of Selectmen as agent to expend from this fund? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed) (Recommended by the Budget Advisory Committee, 4 in favor, 1 opposed)

A "yes" vote would authorize \$23,000 be placed in a capital reserve fund (savings account). The funds could be spent by vote of the Board of Selectmen, to purchase generators and associated equipment for municipal buildings to ensure continuity of municipal services during power outages and protect Town assets.

14. Shall the town vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) for the purpose of establishing a Mosquito Surveillance Program? This program is designed to monitor the presence of mosquito vector borne diseases. This surveillance program will be conducted from June 2009 to October 2009. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 3 in favor, 2 opposed)

A "yes" vote would authorize \$8,000 be spent on a Mosquito Surveillance Program for the purpose of identifying infected mosquitoes which might be a public health risk.

15. To see if the town will vote to authorize the Selectmen to appoint a Town Treasurer in accordance with RSA 41:26-e rather than electing a Treasurer? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

2009 Town Warrant with Explanations

A "yes" vote would discontinue the practice of electing a Town Treasurer at the March 2010 Town Meeting, after which time, the Town Treasurer would be appointed and supervised by the Board of Selectmen. By statute, the Selectmen are ultimately responsible for the Town's financial accounting and safeguarding, but the Board does not currently employ or supervise the Town Treasurer. The position is responsible for the custody, deposit and disbursement of town funds.

16. Shall the Town vote to collect an additional Five Dollars (\$5) tax per vehicle for the purpose of supporting a municipal transportation fund and to establish a capital reserve fund for this purpose, with the Selectmen as agents to expend from the fund? This fund would allow the Town to fund, wholly or in part, improvements in the local transportation system, including roads, bridges, and pedestrian facilities, parking or public transportation per RSA 261:153. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would authorize the Town to add \$5 onto each vehicle registration fee. It is estimated that \$40,000 could be collected per year from residents, including renters and students. The money could only be used, by vote of the Board of Selectmen, for transportation projects such as road and bridge work. The Town has two bridges on the State's list of unsafe bridges and 72 miles of road to maintain.

17. Shall the Town adopt the provisions of RSA 41:14-a, which gives the selectmen authority to acquire or sell land, buildings, or both; provided certain procedures, as outlined in the statute, are followed? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would give the Selectmen the authority to acquire or sell land and/or buildings, but only after any proposal is submitted to the Planning Board and Conservation Commission for review and recommendation. The Selectmen would also have to hold two public hearings before taking any action. The Board of Selectmen currently has the authority to accept donations of land for conservation, accept tax deeds, and sell tax deeded property. This would extend the authority to other types of property, so the Board could sell town owned property to put it back on the tax rolls. An appropriation, by Town vote, would still be needed to purchase any property.

18. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization, in accordance with RSA 31:95-e, shall remain in effect until rescinded by Town Meeting. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

2009 Town Warrant with Explanations

A "yes" vote would allow the Selectmen to accept gifts of personal property to the Town after a public hearing (if over \$5,000 in value) or a meeting. The Board of Selectmen currently has the authority to accept donations of money. This would extend the authority to donations of personal property.

19. To see if the Town will vote to sell Town owned property consisting of approximately 63 acres on Cromwell Drive in order to develop the property as approximately 20 units of workforce housing, and to authorize the Selectmen to (1) take other action to determine the fair market value; (2) negotiate the terms of the sale(s), including the acceptance of a mortgage(s); and (3) sign and deliver any documents the Selectmen deem reasonably necessary for the sale(s). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

A "yes" vote would allow the Selectmen to sell town-owned property on Cromwell Drive in order to develop the property as approximately 20 moderately priced homes. The Workforce Housing Committee has been meeting and discussing this proposal since April 2008. In order to move forward, Town Meeting must authorize the sale of the property for this purpose. The Committee envisions a development utilizing Smart Growth strategies and energy efficient technologies that would serve as a model for other communities across the State.

20. Shall the Town vote to name the Selectmen as agents to expend from the following capital reserve funds: Fire Department Equipment, Highway Department Equipment, Police Cruiser, and Revaluation? Shall remain in effect until rescinded by Town Meeting. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 4 in favor, 1 opposed)

A "yes" vote would authorize the Board of Selectmen to expend funds that voters have deposited in capital reserve accounts for the purposes that those funds were established, without seeking additional approval to withdraw them. For example, if the voters approve the \$25,000 to be added to the Revaluation capital reserve (in article 8 above), the Selectmen can expend that money in 2010 for the Revaluation.

21. Shall the Town vote to insert the following into Article 3 General Provisions of the Zoning Ordinance? "The Town shall not have the authority to restrict or prohibit private, personal, non-commercial recreation in the any Zoning District in the Town of Rindge. The range of activities protected by this clause shall include, but not be limited to, team sports such as Little League baseball or Pop Warner football; unorganized versions of the same team sports; BMX or mountain biking; paintball, whether organized or unorganized, OHRV riding by property owners or their invited guests; family picnics or outings; or any other private, personal, non-commercial recreational activity." (By Petition) (Not recommended by the Planning Board, 6 to 1) (Not recommended by

2009 Town Warrant with Explanations

the Board of Selectmen, unanimously). (Not recommended by the Budget Advisory Committee, 4, 0, 1 abstained.)

This is a Citizens' Petition. Town Counsel has advised the Board of Selectmen that New Hampshire law already permits "private, personal, non-commercial recreation" in all zoning districts unless the activity has a substantial negative impact on others, and/or unless it is so frequent or continual that it is the primary use of property. This article would have the effect of permitting all activity that might be "recreational," regardless of the amount of noise, nuisance, traffic, or other negative impact it creates.

22. To direct the Selectmen of the Town of Rindge to cap any increase of their Annual Budget to any projected increase in revenue above the last Annual Budget and in no case to increase the Annual Budget more than the rate of inflation, as defined by the "National Consumer Price Index-(Urban/Rural)" (CPI-U/R) as averaged over the twelve months preceding the vote on the new Annual Budget. (By Petition) (Not recommended by the Board of Selectmen, unanimously). (Not recommended by the Budget Advisory Committee, 4, 0, 1 abstained).

This is a Citizens' Petition. The Department of Revenue Administration has advised the Town that this warrant article would not be binding on the Town, if approved.

23. Are you in favor of the Code Enforcement Officer position per RSA 41:2 being an elected position per RSA 669:17? The Code Enforcement Officer shall be elected at the next regular municipal election for a one year term. (By Petition) (Not recommended by the Board of Selectmen, unanimously). (Not recommended by the Budget Advisory Committee, 4, 0, 1 abstained).

This is a Citizens' Petition that attempts to make the position of Code Enforcement Officer an elected position, rather than an appointed one. The Local Government Center staff attorney has advised the Town that, if approved, the article "could not be implemented by the Board of Selectmen". Town Counsel concurs, noting that it is "invalid and unenforceable".

24. Are you in favor of eliminating the Code Enforcement Officer position per RSA 41:2? If this amendment passes it would supersede any amendments approved on this ballot or on previous ballots. If approved, this would be advisory to BOS only. (By Petition) (Not recommended by the Board of Selectmen, unanimously). (Not recommended by the Budget Advisory Committee, 4, 0, 1 abstained).

This is a Citizens' Petition that attempts to eliminate the position of Code Enforcement Officer. Town Counsel has advised the Selectmen that, if approved, this article would not be binding on the Town.

2009 Town Warrant with Explanations

25. To see

This was a Citizens' Petition to establish a Budget Committee. At the Deliberative Session, a motion was made and approved to remove the rest of the language.

Year

Minutes of the 2008 Annual Town Meeting

First Deliberative Session — Saturday, February 2, 2008

Town Moderator, David M. Tower called the meeting to order at 9:00am. David introduced Girl Scout Troop 141, Brandi Pugh, Andy Burnett, Elizabeth Valcourt, Kimberly Stanway and Natasha Renieach. The Girl Scout Troop led the meeting to the Pledge of Allegiance. David introduced non-resident officials; Town Administrator, Carlotta Pini, Director of Public Works, Robert Forrest and Director of Planning, Jane Pitt. Resident town officials, Director of Public Life & Safety, Rickard Donovan, Police Chief, Michael Sielicki and Recreation Director, Peggi Brogan. The Board of Selectmen were then introduced, Chairman Timothy Halliday, Patricia Lang Barry and Jed Brummer. Town Officials were introduced, Town Clerk, Nancy Martin, Budget Advisory Members, David DuVernay, Les Cypret, Susan Emerson and Jake Pyhala. Sound was provided by Franklin Pierce University, Jonathan Galed.

Chief Sielicki honored retiring Constable Larry Harris with a speech and a service award signed by the BOS, he also gave Larry his Constable Badge in a shadow box to keep it in as the position of constable will no longer be used in Rindge. Larry has served the town as Constable since 1992.

Article 2. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT No. 1 TO THE TOWN OF RINDGE GROWTH MANAGEMENT ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: The amendment updates the "Summary of Findings of Fact" adopted by the Planning Board on July 6, 2004; extends the expiration date of the Ordinance to March 31, 2011; requires the Planning Board to recommend an extension of the Growth Management Ordinance if the capital facilities needs of the municipality have not been met; and adds the requirement that Student and Elderly Housing obtain an affirmative recommendation from the Planning Board and a Special Exception from the Zoning Board of Adjustment in order to be exempted from the Ordinance.

Article 3. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 2 TO THE TOWN OF RINDGE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: Amend Article VIII (Commercial District), Section B(2) of the Ordinance by reducing the front setback requirement from 75 feet to 25 feet and reducing the side and rear setback requirements from 30 feet to 10 feet except when abutting property is a residence or located in another zoning district, in which case the side and rear setbacks shall be fifty (50) feet from the abutter's property.

Article 4. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 3 TO THE TOWN OF RINDGE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD AND GENERALLY DESCRIBED AS FOLLOWS: Amend Article IX (Business

Minutes of the 2008 Annual Town Meeting

– Light Industry District), Section B(2) of the Ordinance by reducing the front setback requirement from 75 feet to 25 feet and reducing the side and rear setback requirements from 30 feet to 10 feet except when abutting property is a residence or located in another zoning district, in which case the side and rear setbacks shall be fifty (50) feet from the abutter's property.

Article 5. To see if the Town will vote to raise and appropriate the sum of Three Million Nine Hundred Fifty Thousand Dollars (\$3,950,000) for the purpose of financing the construction and equipping of a new public safety building on land owned by the Town, which building will house the Town's police department, fire department, and ambulance; said sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33; to authorize the Board of Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Board of Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Board of Selectmen to take any other action or to pass any other vote relative thereto. (Three-fifths vote required)

Carlotta explained the tax impact of the proposal. The 20 year bond @ 5.24%, through the New Hampshire Municipal Bond Bank, terms would be determined by the BOS, although Chief Sielicki said he had spoke to someone at a financial institution and they quoted 4%, so the numbers we are looking at are worse case scenario. Figures are based on the 2007 assessments and Dave DuVernay said this year figures are up about 7million; therefore the tax impact on a house valued at \$300,000 will be \$222.00 for the first year, about \$.074. on a thousand. Tim Halliday explained why the cost has risen from the proposal of last year, stating that the square footage has gone from 18 thousand square feet to 21 thousand square feet. Also, the square footage price quoted last year was considerably under the national average. Though the building may have been able to be built at that price, it would definitely be lacking some things. Tim affirmed that the BOS agree the proposal this year is an accurate representation of what the town needs. Architect Gary Goudreau stated that the price of a square foot for police and fire buildings are anywhere between \$205.00 and \$220.00 per sq. ft. The price could be higher if the majority is for fire.

Chief Donovan presented a film on the current conditions at the fire station; problems pointed out were windows which are from the early 50's not energy efficient, cracks in the building structure, compromising the building. He showed an out house which is used because of the lack of water at the station. The back side of building has Quonset hut storage for the four wheelers, spare hoses, extra gear and supplies. PSNH did a power monitor test on the electrical service for 30 days and determined that the service was not adequate for the requirements of the building. The maintenance room

Minutes of the 2008 Annual Town Meeting

which was built by volunteer members about 20 years ago is pulling away from the main structure of the building. There is little to no space between the vehicles and walls or doors, really no room for members to put their equipment on safely. When an operator is coming out with a truck there is only about 6 inches to clear the door.

Carlotta spoke of the lack of inadequate space at the police station (1,600 sq. ft.), no room for evidence storage, inadequate space for record storage it is crowded when there are more than a few people there. Skip Marsh asked about the water and septic problems at both buildings and if the would be sprinkled. Gary Goudreau stated that the new plans call for a new well to be drilled, septic would be replaced the building does need to be sprinkled by code the cost will include a fire pump and an underground exterior storage of approximately 55 thousand gallons of water should the building need it the pump will take the water out of the reservoir because there is no fire hydrant or water line near by. There was a motion to amend the wording of article 5 by deleting police department, fire department, and ambulance, replacing with "Public Safety Building". There was a 2nd to the motion. Dave Tower called for a voice vote to amend, the motion to amend passed, and the amended article will be on the ballot. Al Lefebvre made a motion to move the question, a voice vote was taken the question was moved. Dick Isakson made a motion to restrict reconsideration with a 2nd, reconsideration restricted passed by voice vote.

Article 6. Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million Four Hundred Ninety-Nine Thousand Four Hundred Fourteen Dollars (\$3,499,414)? Should this article be defeated, the default budget shall be Three Million Three Hundred Sixty-Three Thousand Two Hundred Fifty-Four Dollars (\$3,363,254) which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in ANY warrant article.

Carlotta outlined the budget and explained it line by line. Steve French made a motion to increase the budget by \$25k for a police cruiser, there was no 2nd to the motion, motion failed. Carlotta explained that the drug asset forfeiture program money will be used to purchase a cruiser, there will also be \$20k set aside in the CIP to purchase a cruiser perhaps next year. Robert Jackson made a motion to increase the budget by \$10k to refurbish the existing well (fire dept) or drill a new one, with a 2nd. A standing vote was taken, 23 in favor, 34 opposed, the motion to amend failed. Pat Barry made a point to commend Robert Forest and the residents of Rindge for there

Minutes of the 2008 Annual Town Meeting

efforts in recycling, she stated that the past year has shown an enormous savings and has made Rindge a "greener town". There were no changes made to article 6.

Article 7. Shall the Town vote to raise and appropriate the sum of One Hundred Thirty Thousand Dollars (\$130,000) to be added to the following funds previously established: Twenty-Five Thousand Dollars (\$25,000) into the Fire Department Equipment Capital Reserve; Fifty Thousand Dollars (\$50,000) into the Highway Equipment Capital Reserve; Twenty Thousand Dollars (\$20,000) into the Revaluation Capital Reserve; Fifteen Thousand Dollars (\$15,000) into the Meetinghouse Maintenance Expendable Trust Fund and Twenty Thousand Dollars (20,000) into the Police Department Equipment Capital Reserve.

Tim Halliday made a motion to amend the article to include the words \$20k for the police department equipment capital reserve for the purchase of a police cruiser. He explained that the sentence was inadvertently omitted therefore it does not change the total dollar amount. There was a 2nd to the motion, a voice vote was taken, and the motion to amend passed. The amend article would appear on the ballot.

Article 8. Shall the Town vote to establish a capital reserve fund, under the provisions of RSA 35:1-c, for the purpose of updating the Master Plan and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in this fund; and to name the Planning Board as agent to expend from this fund?

Kim McCummings explained that the Planning Board is mandated to update that Master Plan, After some discussion, there were no changes to article 8.

Article 9. Shall the Town vote to raise and appropriate the sum of four thousand five hundred dollars (\$4,500) to replace and update fire notification pagers, said expenditure to be partially offset by a grant from the State for two thousand dollars (\$2,000)?

Carlotta explained that the pagers are not operating properly and need to be updated. There were no changes to article 9.

Article 10. Are you in favor of appointing the Welfare Director, rather than electing one annually?

Carlotta explained that perhaps there could be a regional appointed director which would cut down in the "double dipping" between towns. No changes to article 10.

Article 11. Are you in favor of reducing the wages of sitting Planning Board members and alternates from the minimum wage per hour to zero?

Minutes of the 2008 Annual Town Meeting

Carlotta explained the PB receives a compensation for their time (min. wage) the board decided to run this article in order to help with their budget. No changes made to article 11.

Article 12. Shall the Town vote to adopt the provisions of RSA 32:5, V-a requiring that all votes by the Budget Advisory Committee and the Board of Selectmen relative to budget items or warrant articles be recorded votes and the numerical tally of any such vote be printed in the town warrant next to the affected warrant article?

Carlotta explained the Department of Revenue recommended this warrant article to give the BAC and BOS the authority to put their recommendation on money article and the vote. No changes to article 12.

Article 13. Shall the Town vote to amend the Requirements/Limitations section of the Town of Rindge Accessory Dwelling Unit Ordinance by amending bullet #3 to state: "Only one ADU (attached or detached) shall be allowed per principal dwelling unit and/or lot.", by amending bullet #5 to state: "Any necessary additional entrances or exits for an attached ADU shall be located to the side or rear of the building whenever possible.", by eliminating bullet #8 which states: "At least one (1) common, interior access between the principal dwelling structure and the ADU shall be maintained. A second means of egress from the ADU shall be provided." And by adding a bullet which states: "Detached ADU's may be designed to allow for possible reincorporation into the lot as an outbuilding (carriage shed, garage, private workshop, etc.)." (By Petition)

Article 14. Shall the Town vote to insert the following into Article 3 General Provisions of the Zoning Ordinance? "The Town shall not have the authority to restrict or prohibit private, personal, non-commercial recreation in the any Zoning District in the Town of Rindge. The range of activities protected by this clause shall include, but not be limited to, team sports such as Little League baseball or Pop Warner football; unorganized versions of the same team sports; BMX or mountain biking; paintball, whether organized or unorganized, OHRV riding by property owners or their invited guests; family picnics or outings; or any other private, personal, non-commercial recreational activity." (By Petition)

Article 15. Shall the Town vote to repeal the Town of Rindge Wetland Conservation District Ordinance? The Town of Rindge shall allow the State of New Hampshire Wetlands Bureau to continue to regulate and protect the wetlands within the Town of Rindge. This amendment if it passes would include repealing any amendments to the Town of Rindge Wetland Conservation District Ordinance proposed at this Town election. (By Petition)

Minutes of the 2008 Annual Town Meeting

Article 16.

Shall the Town vote to repeal the Rindge Sign Ordinance in its entirety?
(By Petition)

Article 17. To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Rindge, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes. (Submitted by petition)

Jason Czekalski moved to amend the article with a 2nd. The amended article would read: We the citizens of Rindge, NH believe the continued growth of state mandates is unfair and violates the intent of article 28a of the State Constitution and that these matters prevent local governments from effectively managing their budgets. We call on the State Legislature to take a no new mandates pledge and to take active measures to roll back all of the new mandates forced on local governments since 1982. Pat Barry recommended that the petition article should stay the way it is and perhaps Jason could have a petition article next year as his wording changes the language of the article. After more discussion Dave asked for the vote to amend the article, a voice vote was taken, the motion to amend failed. There were no changes to article 17.

Meeting adjourned at 1:00pm.

Respectfully submitted,

Nancy A. S. Martin
Rindge Town Clerk

YOU HAVE NOW COMPLETED VOTING	

Minutes of the 2008 Special Town Meeting

Deliberative Session — Monday August 11, 2008

Town Moderator, David M. Tower called the meeting to order at 7 pm. Dave introduced the Board of Selectmen; Patricia Barry, Jed Brummer and Burt Goodrich; he also introduced Town Administrator Carlotta Pini and Administrative Assistant Julie Labonte. Library Trustee Members present were, Julie Skinner-Brown, Robert Carney, Nancy Little, Karla McLeod, Diane Gardenour, Terry Ann St. Towers, Keith Halloran.

Dave read the article as follows:

To see if the Town will vote to raise and appropriate the sum of One Hundred Forty-Five Thousand Dollars (\$145,000.00) for the purpose of purchasing property at 9 Surry Park Road, Rindge, New Hampshire, owned by Ella Dale; said sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33; to authorize the board of Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Board of Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Board of Selectmen to take any other action or to pass any other vote relative thereto. (Three-fifths vote required)(The Board of Selectmen voted to recommend, 3 in favor, 0 opposed)(The Budget Advisory Committee's vote was split, with 3 in favor, 3 opposed)

Carlotta gave the background on the warrant article, Pat Barry spoke about the property and said she feels it is a good deal for the town and gives her support. Burt stated that having the property would be a good long term investment as the library could expand in the future. Nancy Little made an amendment to delete the bond, and change the amount to \$140,000.00 as the Dale family has lowered the price by \$5,000.00 to the library also add the words "to be used for library purposes" because that is what Mrs. Dales' intention was. She also wanted to include the language that any donations would offset the price of \$140,000.

Little read the amended article:

To see if the Town will vote to raise and appropriate the sum of One Hundred Forty Thousand Dollars (\$140,000.00) for the purpose of purchasing property at 9 Surry Park Road, Rindge, New Hampshire, owned by Ella Dale, to be used for Library purposes and to authorize the Board of Selectmen to accept donations of private funds toward the purchase of this property and any such donations will offset the amount of this appropriation.

Dave asked for a second, Bob Carney seconded the motion. Dave read the article again, asked if there were any questions on the amendment.

Minutes of the 2008 Special Town Meeting

Roberta Oeser asked to amend the article to state "up to \$140,000.00". Carlotta explained that the amount is an absolute number to be appropriated therefore any money that may come in after the fact will go into the general fund which would offset the tax rate. Tom Coneys asked if the purchase price includes the deed transaction to the county.

Tower stated he believes the legal budget will cover the cost, Carlotta said the seller will pay to have the deed prepared and she believes we are exempt from tax stamps because we are a municipality. Art Fiorelli suggested that the amendment should add the closing cost. Terry Ann St. Towers spoke about fundraisers currently going on and the intention to continue into late December. Little questioned if someone wrote a check next August if that would still be accepted. Barry explained that yes it would be accepted for the cause; it would have to be determined which tax year the donation would affect. Nancy Labbe of Surry Park stated her concerns as far as the impact on the neighborhood and parking would be, also who will maintain the road?

Carlotta stated that she did speak to Town Counsel and she stated that the town would be responsible for the maintenance of the road to the extent of our ownership and the impact on the road, so if there were five houses on the road we were one of them then we would be 20% responsible for the maintenance.

Labbe said currently the road is maintained by the neighborhood, there is a written agreement when you purchase a home that the neighborhood is responsible for road maintenance. Labbe also asked about the parking/traffic on the road. Carlotta explained that the only traffic would be an occasional town truck delivering books as the house would initially be used for storage of books. Little stated that since the expansion, they still do not have enough storage room for all the books therefore some are stored in the damp moldy cellar where there was a flood back in 1993. There is not enough room for the Friends Volunteers; they set up in what ever room is available. Charlie Phillips asked if there is only one group for the fundraisers.

Julie Skinner-Brown stated that the fundraising is being held by the Friends Group and any donations made by check should have a notation put on the check that it is for the Ella Dale property. Carlotta pointed out that she is keeping track of who is donating money just in case the sale does not go through then the money would be refunded to the donors. Skinner-Brown stated that the plan is to raise the entire amount of the purchase so there would not be any burden on the taxpayers. Tom Coneys said he is not opposed to the purchase of the property but he feels that the donations should go directly to the library and not into the general fund. Art Fiorelli said if the money is earmarked it must be for that sole purpose. Dave Duvernay stated that if the tax rate goes up in October by the \$74.00 because of the purchase any additional contributions would go into the general fund to reduce the tax rate.

Minutes of the 2008 Special Town Meeting

Tower read the motion again,

To see if the Town will vote to raise and appropriate the sum of One Hundred Forty Thousand Dollars (\$140,000.00) for the purpose of purchasing property at 9 Surry Park Road, Rindge, New Hampshire, owned by Ella Dale, to be used for Library purposes and to authorize the Board of Selectmen to accept donations of private funds toward the purchase of this property and any such donations will offset the amount of this appropriation and closing cost.

Tower asked for a voice vote on the amended motion, the motion passed to amend. The amended article will appear on the ballot on September 9th. Forbes Farmer asked that since the article is for library usage what negotiations/ discussions have been made with other libraries such as FPU? He said he realizes that FPU is not going to store books but maybe there are some other things they could do to make the purchase unnecessary.

Skinner-Brown stated that FPU has an excellent library, states she has had her own personal experiences at the library and found that it is very difficult to get in and out; parking is horrendous, you have to check in and check out through security. It is hard to find entrance into the library which requires going up numerous stairs and once I was in the library I felt as though I was in an abyss although the people are very helpful and friendly I find it very difficult to access the library.

Little stated that the main reason for the purchase is for the storage of books, which FPU is not able to help with. Barry stated that the collaboration between FPU and the library is needed. Barry also stated that the Facilities report calls for the town to maintain and acquisition as much land in the center as possible, it is a long term planning need, and that we have the Senior Housing Project planned for the center. There have been a number of experts that are saying that a lot of New England towns are now trying to revitalize their town center to get the life back to the center of the community. Al Lefebre made a motion to limit reconsideration, with a second.

DuVernay moved to adjourn, with a second from Pat Barry.

The meeting adjourned at 8:00 pm.

Respectfully Submitted,

Nancy A. S. Martin
Rindge Town Clerk

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the Town of Rindge, New Hampshire as of and for the year ended December 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Town of Rindge, New Hampshire's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Rindge, New Hampshire's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Rindge, New Hampshire's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Town's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Town's financial statements that is more than inconsequential will not be prevented or detected by the Town's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Town's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be a material weaknesses, as defined above.

This communication is intended solely for the information and use of management and the Board of Selectmen and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.

Vachon, Clukay & Co., PC

Report of the Town Clerk

In June of 2008 we finally went on-line with the "Municipal Agent Automation Project." This on-line program enables municipal agents to perform many motor vehicle functions locally we were not able to process previously. I am now able to process both town and state portions of vehicles with a gross vehicle weight of up to 26,000 lbs, process late registration renewals, issue vanity plates and conservation plates and farm and agricultural plates, as well as many other functions.

Please remember when registering a new vehicle, a bill of sale and title or Certificate of Title Application (CTA) is required for all vehicles 1995 or newer. Older vehicles need a bill of sale and one of the following: previous New Hampshire registration, previous title from any state or (copy of) or a TDMV 19A form (VIN Verification) - this form can be obtained either at my office or can be printed off the state Web site - www.state.nh.us/safety

The 2009 dog tags are in; dog license renewals are due by the end of April of each year per RSA 466:1. Every owner of a dog 4 months and over shall annually cause it to be licensed for one year in the town in which the dog is kept. The fee for licensing is as follows: Spayed/Neutered - \$6.50; not spayed/neutered - \$9.00; puppies under 7 months - \$6.50; or the 1st dog owned by a senior citizen (65 +) - \$2.00.

Town Clerk Hours are 9am to 4pm Mon. – Thurs. (closed for lunch 1pm-2pm); Thurs. Eve 6pm to 8pm; Fri. 9am to 1pm; and Last Saturday of the month 9am to 11am. Hours for Vital Records are 9am to 12:30pm & 2pm to 3:30pm Mon. – Thurs.; Thurs. Eve 6pm to 7:30pm; Fri. 9am to 12:30pm (hours subject to change).
Phone: 603- 899-5181 ext. 107 Fax: 603-899-2101 Email: townclerk@town.rindge.nh.us

Report of the Ingalls Memorial Library

Our new hours have proven to be beneficial to our patrons. Hours are: Monday, Wednesday and Friday from 10-5 pm, Tuesday and Thursdays 2:30-8 pm and Saturdays 9-12 noon. Our Internet use has risen drastically this year. It is impossible to provide statistics on our wireless service but we hear from our local Police Department that many people sit in our parking lot or on the front steps and use this service while we are closed. One newspaper has reported that we are a hot spot in Rindge!

Mrs. Connor continues to have storytime on Monday and Wednesday mornings. This summers reading program, "G'Day for reading," was based on Australia. We had 118 registered readers and 3214 books were read. The Reading Clubs and the Home Schooling Program were also well attended. A Lego Club for Boys started in September and has been a really well attended program.

We'd like to thank our wonderful volunteers again that have given us many hours of service this year. Our adult volunteers: Betsy Harper, Kathy Isakson, Pat Jordan, Priscilla Leslie, Arianne Miller, Alice Nagahiro, Kathy Seppala, and student volunteers: Colleen Day, Danielle Drouin, Meghan Kargela, Samantha Lauenders, Jakob Miller, Hannah & Maggie O'Leary, Emily Seppala and Lila Seppala.

The Friends of the Library elected TerryAnn Saint-Towers as their new president in April 2008. The Friends sponsored the Rindge Reads Program once again this year. Fritz Wetherbee's New Hampshire was the chosen book for all to read. Mr. Wetherbee being a local author and television personality was invited to have a book signing and a performance of Stories about New Hampshire. A very large project was undertaken by the Friends of restoring two oil portraits, one of Mr. Thomas Ingalls and Mr. Rodney Wallace. Mr. Wallace had provided the funds for our library building in 1894 in honor of his daughter that married into the Ingalls family. The two paintings look just wonderful. The Friends also provide us with passes to local museums or institutions. This year we had passes to the Currier Museum of Art in Manchester, as they re-opened this year after an addition was finished, and the Higgins Armory Museum is another fun destination for families.

Our library is open 35 hours per week.

Report of the Planning Board

Report of the Planning Board

During calendar year 2008 the Rindge Planning Board reviewed eight applications and conducted six informal consultations. Of the eight applications five were for Site Plan Reviews and three were for Subdivision approval of a total of seven lots. The decrease in the number of applications from 2007 clearly reflects current difficult economic conditions, especially in the real estate market. However, the quiet market gave the Planning Board an opportunity to conduct a major overhaul of the Town's Zoning Ordinances in order to streamline them and make them more "user-friendly".

Planning Board Subcommittees for Zoning, Wetlands, Growth Management, Signs and Subdivision/Site Plan Review met throughout the spring and summer on a weekly or bi-weekly basis. Thus, at a Special Town Meeting in September, the Planning Board brought 10 Zoning Articles before the voters, including two new Gateway Zoning Districts and major revisions to the Sign Ordinance, Wetlands Ordinance and Growth Management Ordinance. All 10 Zoning Articles were approved by the voters.

After the Special Town Meeting, Planning Board Subcommittees continued to meet during the fall to focus on revising the Aquifer Protection Ordinance, making further improvements to the Sign Ordinance, and adding revisions to the Zoning Ordinance. Additional zoning amendments will be placed before the voters at the March 2009 Town Meeting. Since early 2008 the Subdivision/Site Plan Subcommittee has been working to update and improve the regulations that govern subdivisions, site plans, and Planned Unit Residential Developments (PURDs).

The Planning Director continued to be actively involved in the work of the Roadway Committee, the Economic Development Committee, the Senior Housing Committee, and the Workforce Housing Committee. The Department was successful in obtaining a \$6,000 grant from New Hampshire Housing for consulting services to insure Rindge's compliance with RSA 674:58-61 which takes effect in July 2009. Last spring the Planning Board sponsored an Aquifer Workshop which featured aquifer experts from NHDES, as well as a geologist. The sum of \$56,186 was collected in impact fees from residential development during the year.

Kirk Stenersen and Rick Godin joined the Board as members this year and the Planning Board mourned the passing of John Vorfeld and Dr. Gerald Parker.

Report of the Planning Board

Work targeted for updating the Master Plan was delayed due to budget constraints, however, a top priority for 2009 is updating the Educational Resources, History & Culture, Community Facilities, Regional Context, Land Use and Implementation chapters, as well as adding a chapter on Economic Development.

Respectfully submitted,

Kim McCummings, Chairperson

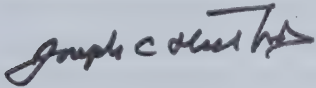

Report of the Board of Adjustment

During the calendar year 2008, the Zoning Board of Adjustment considered 12 new cases and rendered decisions. One additional case was continued until January 2009 for more information. No decisions were overturned by the Superior Court or Supreme Court. The number of cases has decreased over the past three years – in 2006 we had 37 cases; in 2007, 13 cases; and in 2008, 12 cases. This seems to parallel the downturn in the economy. The complexity of the cases continues to increase, and it is a compliment to the diligence of all Members and Alternates that fair and impartial decisions have been reached and held up when challenged on appeal to the court system.

Charlie Eicher was appointed as an Alternate by the Selectmen and we welcome him to the Board. George Carmichael was elected to a three-year term in March and continues to serve as Vice Chairman. He is the first of our Board to be elected. As we make the transition from an appointed to an elected Board, under NH RSA 673:3 II, NH RSA 673:12 I, and NH RSA 673:12 II, the Board of Selectmen retains appointing authority until all Member terms expire and the positions are filled by election. The Selectboard's authority to appoint expires with the March 2010 elections.

During the past year, further revisions in some application forms were voted, and some changes were made to the Rules of Procedure. Our work has been greatly helped with the addition of our Clerk, Kathy Strasser, who has brought great experience and expertise to our Board.

George Carmichael
Vice-Chairman

Report of the Telecommunications Committee

Granite Connection, a private company, began offering wireless Internet service in Rindge at the beginning of the year. The Telecommunications Committee was pleased to learn that many citizens were able to benefit from it. A grant provided by the State of New Hampshire allowed the town to offer a \$100 subsidy to income-eligible customers to apply to the installation fee. The company's three antenna, located in the Cathedral of the Pines bell tower, the Meetinghouse steeple, and the Halliday barn, offered service to those within any of their lines-of-sight. The Committee is encouraging Granite Connection to install additional antenna and facilitating discussions with land owners.

The Committee sponsored a Telecom Forum in June, showcasing the various technologies available to Rindge residents. Over one hundred Rindge citizens attended. Michael Vlachich, Director of the New Hampshire's Division of Economic Development at the Department of Resources and Economic Development, gave the keynote speech outlining the State's plan for addressing Internet connectivity in rural areas. Representatives from Fairpoint Communications summarized their plans for providing DSL in three phases. The first phase would extend service to homes within 18,000 feet of the central office. The second phase would be the installation of remote transmitters to extend service out further. The final phase would utilize wireless technology to reach outlying areas. Representatives from US Cellular and Verizon Wireless explained how "air cards" can be used to gain Internet access from cell towers. Radius North showcased its wireless Internet services.

Pinetree Cable continues to be the only provider of cable television and Internet service in the Town of Rindge. The Committee is aware that many citizens have concerns about the quality of service, as well as the customer care, provided by the company. The Committee met with Comcast in November 2007 to see if the company would consider providing service in Rindge. Comcast has not made any commitment to do so at year end.

The Committee continues to explore options for increasing access to high speed Internet service. The Committee's meetings are open to the public. Please attend a meeting or email your suggestions to the town at cpini@town.rindge.nh.us for tackling this important issue.

Respectfully Submitted,

Carlotta Lilback Pini
Town Administrator

Report of the Economic Development Committee

The Town's Economic Development Committee is a group of dedicated individuals with very diverse backgrounds. These individuals donate their time and efforts toward improving and enhancing the economic viability of the Rindge community.

During the past 12 months the Committee focused its efforts on the following:

- Updated and maintained the Rindge business database.
- Worked with the Telecommunications Committee to improve broadband and telecommunications throughout the Rindge area; co-sponsored the Telecom Forum held in June 2008.
- Developed a comprehensive list of available commercial properties, including sites and buildings. Currently refining this information into a comprehensive list with pertinent location information and zoning requirements.
- Worked with the Planning Office on the development of Gateway Districts.
- Continue to identify potential economic development projects for the Southwest Region Planning Commission's annual Comprehensive Economic Development Strategy (CEDS).
- Worked with Regional Economic Development partners, including Monadnock Economic Development Corporation, New Hampshire Department of Resources and Economic Development, and Southwest Region Planning Commission.
- Provided support for the Community Development Block Grant (CDBG) for the Woodbound Inn.

The Committee solicits input from residents by encouraging participation at its monthly meeting and working with the Planning Board on critical issues that impact economic development.

We are revising our overall Economic Development Strategy and Plan, to target our efforts as appropriate. Going forward, our Committee plans to:

- Promote a positive business climate that positions the Town as a business-friendly community with a superior quality of life.
- Create employment opportunities geared toward the local labor force.
- Work proactively to support existing businesses and to encourage the development and expansion of efforts that further enhance the business community.
- Develop programs and information sessions focused on the needs of the business community.

Report of the Economic
Development Committee

Report of the Economic Development Committee

Our Committee meets monthly – the first Friday of every month at 8:00 a.m. in the Town Offices. Business representatives and community residents are invited to attend. We encourage your input on important economic development issues and initiatives.

On behalf of the Committee, we thank the Rindge Community for their support of our efforts and look forward to a very productive 2009.

Respectfully Submitted,

Judy Tomlinson, Chairperson

Report of the Conservation Commission

The Rindge Conservation Commission (CC) strives to monitor and preserve the natural resources of Rindge. Its members work closely with the public, Selectmen, Planning Board, Board of Adjustment and the N. H. Department of Environmental Services to give advice and make recommendations in an effort to protect environmentally sensitive areas during this period of sustained growth and into the future.

Activity Highlights:

- Pursuit of conservation land & conservation easement acquisition and facilitation
- Conservation land & easement holdings management
- Natural Resource Inventory development
- Wetland permit application reviews
- Environmental violation investigations & reports
- Promotion of environmental education

This year we held 18 formal meetings, conducted 10 site reviews, and attended several workshops, conferences and public hearings. We also engaged in 15 on-site, Conservation Property management activities. All together, this represents well over 500 hours of volunteer work. On several occasions, commissioners attended other board meetings and hearings to represent our perspectives as well.

We continue to be pleased by the extensive and responsible use of the Converse Meadow property by the public. We reported last year that we had obtained a State DES permit to replace the old culverts for the Millers River with an open bottom arch. This project was put out to bid and was awarded to Edward Whitcomb of Superior Site Work, LLC. Unfortunately, due to an extraordinarily wet summer and fall, the new installation had to be put off until this coming dry season, although the old culverts have been removed.

We posted identification signs along the perimeters of both parcels comprising the Sandback Wilderness area on Bush Hill that Amy Sandback so generously donated last year. The eastern parcel came to the Town while the westerly one went to the NH Charitable Foundation pending future sale. The NHCF provided the signs and the Commission provided the leg work.

We have continued to pursue protection of parcels identified as "Targets" by the Rindge Bio-Diversity Study and while no new easements have been finalized, active negotiations have occurred and we expect to report positive results later this year. Similarly, most of the legal framework for conservation easements on Tetreault Park and the Town Forest to be held by The Monadnock Conservancy is complete and the final implementation and recording should transpire within the next couple of months.

Other activities include sponsoring two scholarships for local youth to the Massach-

Report of the Conservation Commission

sets Audubon's Camp Wildwood, and again hiring Larry Harris to mow the trails in the Hunt Forest, the front of Converse Meadow, and some of the Town Forest trails.

As with so many other areas in Town, the Conservation Holdings were hard hit by the ice storm. For safety and liability purposes we have posted "Trail Closed" signs at the trail heads where downed and hanging trees present hazardous obstructions. These locations are not as accessible as the roadside damage and will mostly have to wait until spring to be addressed. The cabin on Tetreault Park had a tree puncture part of the roof and we have not determined the full extent of the damage since we were earlier forced to board up the place after the theft of a wood stove and vandal's breaking of windows in the adjacent wood shed. Boy scouts have previously helped us with this site and made some use of the cabin, so we hope to further develop that relationship and come up with a strategy that will both successfully utilize and protect the cabin from abuse. Of course the storm damage cleanup alone is a formidable project to address and we welcome creative approaches that do not require excessive use of our limited funds.

As suggested in last year's report, it is clear that the CC supports the concept of replacing public trees as they meet their demise and the December storm has made the need particularly acute. We have not formalized any policy for prioritizing aid or funds, so for now we would encourage both the Highway Department and the Beautification Committee to approach the CC with specific identified needs for tree replacement. We would most likely be amenable to allocating money from the Conservation Fund for this. We would also welcome input for establishing a formal tree replacement policy.

Property owners can help to insure that Rindge will remain a place known for beautiful scenery and wild places. Those who are interested in putting their land under conservation easements or might consider donating land for conservation purposes, possibly in conjunction with estate planning, should contact the CC to discuss the variety of appropriate strategies and options available.

The CC meets on the second Monday & the fourth Thursday each month at 7 PM in the Town Office Building. Interested members of the public are invited and encouraged to attend and become involved with our efforts. There are also openings on the Commission for membership. Please step up and become a part of shaping the future of our natural heritage.

Respectfully submitted,

Richard Mellor, Chairman

Report of the Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition and maintaining the town roads are our main priorities. The Town of Rindge maintains seventy-two miles of roads.

The Department developed a 5-year Master Road Plan. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen approved this plan, but unfortunately economic times have somewhat hindered its full implementation. The plan does give solid direction for sections, evaluation of roads, and year's sections needing attention using the Hub and Spoke Paradigm. We also coupled this plan with funding a gravel road maintenance line item and purchased a calcium spreader tank. Our other Fall projects consist of preparing town trucks and equipment for the winter months, raking leaves, preparing town parks for winter, draining the water lines at Wellington Park, re-grading gravel roads, and patching potholes.

Winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24 to 30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. We have very dedicated crew members that really care about their jobs and take pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter.

Spring months keep us busy cleaning up from winter and preparing for summer. Projects in the spring consist of: placing gravel and processed stone on dirt roads during mud season, patching potholes, raking the rest of leaves from the fall, opening the cemeteries, maintaining lawns, cutting brush and trees in preparation for summer projects, repairing damage to property and road signs from winter plowing, and preparing and advertising bids for the major summer projects.

The major Public Works projects are performed in the summer. These consist of: replacing drainage pipes; reclaiming roads in preparation for paving; grading dirt roads and placing liquid calcium for gravel stabilization and dust control; maintaining the Town Common, Parks, Cemeteries, and the Town Office lawn; preparing Wellington Park fields for summer recreation; and roadside mowing.

Lord Hill Road

Dug water line and back filled water line at Police and Fire stations

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Household Hazardous Waste Day also continues to be a big success, although it has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Day in the spring and fall.

The Recycling Program recycled 396 tons in 2008; in 2007 we recycled 382 tons to the City of Keene - 14 tons more. Disposal of Demo/Household waste to the Town of Bethlehem in 2008 was 902 tons, and in 2007 it was 910 ton - a difference of 8 ton. We would like to thank the citizens of Rindge for their conscious effort to reduce the amount of waste brought to the landfill and the increase of recyclables. Keep up the good work.

Building maintenance:

We hired a full-time maintenance technician who is responsible for all maintenance to Rindge town buildings, plowing, sanding and salting walkways.

Building maintenance projects:

Town Office

Repainted 3 offices and 2 bathrooms.

Repaired doors to conference room and tax office

Replaced door to Fire Chief's office

Replaced and recharged fire extinguishers

Gazebo

Replaced floor boards and hand rails
Repainted and rebuilt picnic tables
Repainted trash barrels
Repaired benches on common

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I would also like to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

I would also like to send a very special thank you to all the citizens that assisted in the Ice Storm cleanup. It really showed me that the citizens of Rindge can work together in a crisis.

Respectfully submitted,

Michael A. Cloutier Sr.
Director of Public Works

Report of the Police Department

The year 2008 brought many challenges to the Rindge Police Department. One officer left to take a higher paying job in another community, and we had to deliver services and respond to calls for service with an ageing fleet of cruisers. The default budget did not provide adequate funding to maintain vehicles and provide the same level of services which we offered in the past.

The default budget forced us to reduce some of the services we had provided for many years in Rindge. One of those services was business and vacant-property checks. Each year we normally conducted 10,000 to 11,000 business and residential checks. Almost nightly every business in town was checked, or at least twice a week. Property left vacant due to vacations or winter stays in other locations were checked by a member of the Police Department weekly. This service took approximately three hours each night, using time, gas and equipment to accomplish. The default budget forced us to shift monies to maintaining our ageing fleet of cruisers and to covering fuel price increases. We had to repair our older cruisers not replaced on a continuous basis due to budget cuts. The default budget also made us eliminate certain community programs such as bike rodeos, finger printing and classes on theft and fraud, which we usually presented during the year.

This year has also been a trying time due to responding to 592 calls for service to Franklin Pierce University. For years we have been trying to get the university to take a proactive approach to the night-time activities on campus which tax our emergency responders. Such activities include underage drinking, illegal use of drugs, large parties that tend to get out of control in the early morning hours, and multiple false alarms. We have asked and received the help of the Cheshire County Attorney's Office, along with the United States Attorney General's Office and the New Hampshire Attorney General's Office to assist us to curb these activities.

We intend to work with the new administration at the University to help them under-

Report of the Police Department

stand the financial and logistical strain they place on our community by not reducing these problems on campus and becoming good neighbors and responsible community leaders.

Then at the end of the year we were hit with one of the biggest natural disasters this region has seen in years. The ICE STORM of 2008 showed us how under funded and staffed the Rindge Police Department is, as well as other departments in town, to fully protect and serve our community in times of need such as this. In the coming years we need to learn from this experience and move forward, adding necessary staff and a facility that allows emergency responders to work safely and professionally.

It continued to be my goal in 2008 to maintain a full complement of officers in order to continue to reduce costs for the town. Officer turnover is very expensive to a community; it costs roughly \$10,000 to \$12,000 to replace an officer when one leaves. To assist in this effort we continue to use part-time officers and have been lucky enough to hire from those individuals and reduce these costs.

Again this year this was accomplished when we lost an officer to a smaller agency paying more than we could offer to keep the officer here. Scott Radford was promoted to full-time status from part-time to replace the officer that left. Edward Cody was then hired as a part-time officer to replace the position vacated by Scott. Ed is not new to the police profession, which saved money in training costs. Prior to coming to Rindge he worked for the Seabrook, New Hampshire Police Department as a full-time Police Officer for 21 years.

Scott has been with the Police Department since 2007 and completed the full-time Police Academy course in November 2008. With Scott in the full-time academy for four months the department was short-handed, which resulted in fewer things being accomplished.

As we close the year 2008, the Police Department would like to thank many community members and businesses that not only helped the Police Department in the past year but made the Town of Rindge a safer place to live, work, go to school and visit. Partnerships with such entities as Boss Construction, Rindge Car Wash, Dunkin' Donuts, Foggs, Alpine Motors, Wal-Mart, North of the Border, RAMS and many others enable us to carry out our mission of public service in greater ways than we ever thought possible.

In June of 2008, members of our department and others participated in the Law Enforcement Torch Run to raise money for New Hampshire Special Olympics. They raised \$1,900 towards the cause. In February 2008 several participated in the Penguin Plunge in Hampton Beach. The Winter Games in Waterville Valley and the Summer

Report of the Police Department

Games in Durham were attended by several officers. Awards were handed out at the Winter Games and the torch was brought into the stadium at the Summer Games.

This year's fund-raiser in conjunction with the Rindge Athletic Men's Association (RAMS) to raise money for the RAMS boosters as well as the Rindge Police Department and Fire Department was a huge success. We again hired All-Pro Productions to handle the fund-raising and arrangements for the All-Star Night of Comedy held at Hidden Hills September 5, 2008. Due to the generosity of all those who attended and other contributors, we were able to raise a lot of money to put towards the community. Contributions were received from Rindge residents and businesses as well as many other contributors from around the Monadnock region and Massachusetts. All contributors were listed in the calendar passed out that night, either in a separate listing or with ads they purchased. We gratefully thank all who made this show and fund-raising a huge success. We look forward to 2009 and hope to be able to increase its popularity and bring townspeople together with the public safety providers within the Town of Rindge. The money we raised through this event allowed the Police, Fire and Rams to donate thousands of dollars for many projects throughout the community.

This year the Rindge Police Association will again be able to offer a scholarship at the High school for a graduating senior to further his or her education. The Police Department will continue to support and work closely with Cub Scout Pack 308, as well as provide mentorship to the Boy Scouts during the next year. We will also continue to have interns from the local high schools and Franklin Pierce University who express an interest in pursuing a law enforcement career.

Rindge Police has also participated in PAACC details in order to control underage purchase and use of alcohol, along with decreasing incidents of driving under the influence of alcohol or drugs. The Cheshire County Sheriff's Department instituted

Report of the Police Department

this grant. As always, we will continue to seek out alternative funding programs to offset the impact of our budgetary needs in order to provide the best service to our community.

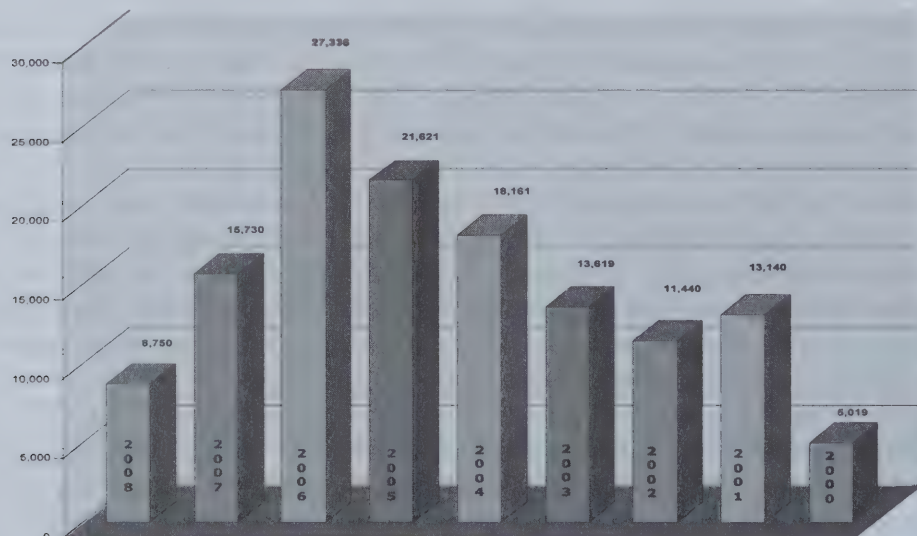

Operations

We have seen a significant increase in the amount of time we have had to devote to service and deal with criminal offenses in the Town of Rindge again this year. In 2008 the Police Department handled **1,165 offenses** while filing **631** criminal investigation reports.

The proper reporting of crime is absolutely essential to an investigation and having the ability to properly investigate these crimes is essential to any police organization. The Police Department was inundated with investigations this past year, ranging from minor property crime to serious felony cases. We handled **384** arrests and **45** juvenile cases this year. Arrests ranged from motor vehicle violations to major criminal arrests, resulting in **85** felony cases referred for prosecution; general calls for service totaled **8,750**. The attached graph shows the general increase of calls for service over the past five years (in 2007, we stopped including business and residence checks).

CALLS FOR SERVICE

Report of the Police Department

During 2008 Rindge Officers conducted over 1,513 business and residential checks until we received the default budget in March.

In 2008 the department handled the following motor vehicle-related incidents:

- 16 DWI arrests
- 150 reportable accidents
- Issued 686 warnings
- Issued 217 summonses

With the limited resources available to our department, it is not physically possible to have the roads in town patrolled as much as residents would prefer – especially with speeding issues. With the residential and commercial growth that is happening within the Town of Rindge, it will become even more difficult to have sufficient officers staged on streets to watch for traffic violations. The officers must be available to respond to all types of calls. We will continue to make every attempt to address citizens' complaints about speeding and other violations that are reported to us.

Our Animal Control Officer handled over **658 animal complaints** throughout the year. We have developed a new forfeiture process regarding animal situations and will proactively address the chronic and repeat animal issues to ensure a reasonable balance between animal ownership and quality of rural life. Thanks, Larry, for doing such a good job.

Department Goals

Several of the Rindge Police Department goals are long-term and on-going in nature. To achieve the goals of quality, professional and ethical service; the department must continue to remind itself that it exists to serve the entire community. We have strived to ensure our officers receive quality and up-to-date training and to provide them with the necessary tools to get the job done. While we have achieved many of our objectives during the past years, we are committed to these short-term and long-term goals:

Report of the Police Department

- To continue to effectively address quality-of-life issues that require police intervention in the community. Our position and philosophy of community-based policing will help us involve the community in problem solving and address these issues as they surface.
- Career development of our officers to ensure they grow as professionals, which also includes retaining these good officers. This will be accomplished through training, skill assessment and interest identification.
- We will continue to pursue a collaborative relationship with Franklin Pierce University, the School District, as well as federal, state and local agencies.
- We will continue to address the Capital Improvement Plan for the department, primarily addressing the future prospect of an improved Public Safety Building for the Police and Fire Departments and additional staff in the coming year.

I would now like to thank the members of the Rindge Police Department over this past year: Frank Morrill, David Blake, Dan Anair, Nick Weeks, Joseph Hazelrigg, Rachel Derosier, Scott Radford, John Vargas, Ed Cody, Larry Harris, Evelyn Lewis, Michelle Szalanski, and Prosecutor Martha Jacques. As each year comes and goes, the members of the Police Department continue to adapt to what is required of us. At times it is frustrating and other times it is particularly exciting, but the two areas that we hope remain consistent are the relationships within the department and more importantly, within the community. Thank you all for being patient and supporting the community.

On behalf of all the members of the Rindge Police Department, we want to thank the community for their support throughout the past. We must remember that it is up to all of us to be involved in the safety of this community. We encourage all of community members to become involved, report suspicious activity, drive responsibly, and be proactive with your own house and family safety issues.

Together, we will move forward to ensure that Rindge remains safe and a community we all can be proud of.

Respectfully submitted,

Michael J. Sielicki
Police Chief

Report of the Fire Department

The Rindge Fire Department responded to a grand total of 860 emergency and non-emergency calls for assistance. Fire related incidents accounted for 484 calls. EMS related incidents accounted for 376 calls. During the Ice Storm, the fire department responded to 226 calls; 31 of those calls were not storm related. Excluding the Ice Storm related incidents, the department responded to a total of 665 calls for service during 2008. Southwestern District Fire Mutual Aid listed the Rindge Fire Department as one of the busiest fire departments and one of the busiest rescues in its 78-town mutual aid district. The department has seen a decrease in call volume over 2007, excluding the ice storm. This decrease can be contributed to the working relationship between Franklin Pierce University and the Rindge Fire Department.

The Rindge Fire Department continues to deliver fire safety and prevention programs to the local businesses and schools. The Memorandum of Understanding between Franklin Pierce University Fire Company and the Rindge Fire Department has proven to be an effective tool in building the relationship between the university and town. The members of the FPU Fire Company are a part of the Rindge Fire Department and respond to calls within the town, as well as on campus. The FPU Fire Company also participates in monthly trainings and meetings with the Rindge Fire Department. In 2009 we plan to implement a similar Memorandum of Understanding between the Rindge Fire Department and the Franklin Pierce EMS Squad.

The Rindge Fire Department operates with 3 full-time employees. Two of the full-time positions are shared with the Building Department and Emergency Management, which is a benefit to the town for many reasons: financial aspects, continuity of building/fire and life safety codes, ability for multi-tasking between departments are just a few examples. The third position is filled by a full-time FF/EMT-I. The department operates from 6 a.m. to 6 p.m. with the full-time members and utilizes call members as needed. From 6 p.m. to 6 a.m. the department operates with 24 call members along with 25 Franklin Pierce Fire Company members and 6 Franklin Pierce EMS members.

The fire department will continue to focus on building its call membership during 2009. This is a very important task for many reasons, which include firefighter and public safety, helping with the town's tax rate, etc. Without these dedicated individuals we would have to hire full-time employees to respond to emergency calls in order to preserve the safety of the town. These members are paid per call instead of manning the station. All members carry pagers that are activated by Keene Mutual Aid Dispatch when there is a call for emergency assistance. This allows the members to carry out their normal daily activities and respond as needed. The department is set up with 4 rotating duty crews who handle the lower priority EMS and fire calls. Each crew is on stand-by one night per week and one weekend per month. In the event of a high priority call, all available members respond. Many new people who move to rural areas do not know that we don't have a full-time fire department and rely on the

Report of the Fire Department

citizens to work as a community. If you are interested in making a difference, please contact the Director of Public and Life Safety for more details.

In the upcoming year, the department will continue to apply for grants and improve its efficiency and quality of service. We will also continue the following:

- Continue to provide quality, professional and efficient service
- Increase the department membership to capacity (35 Members)
- Increase public relations
- Continue to provide Fire Prevention and Education Programs
- Provide community CPR and First Aid Programs
- Continue to provide free Home Fire Safety Programs
- Develop training programs that will help the members be prepared for almost any emergency situation
- Develop preplans for every street and road in the town along with water supply plans
- Increase the available dry hydrants within the town
- Develop and implement a computerized Preventive Maintenance Program for RFD equipment and apparatus

The Rindge Fire Department worked with the Meadowood Area County Fire Department to rebuild the training and drill yard in Fitzwilliam. The Meadowood Area County Fire Department provides specialized equipment and training to all fire departments. Rebuilding the training and drill facility will be a big asset not only to Rindge, but all fire departments in the southwestern part of the state. This allows for more NH Fire Academy programs and trainings to be delivered in this area, instead of sending members to the academy in Concord, NH.

In closing, the Rindge Fire Department continues to seek new membership. Our membership is dwindling, our call volume is increasing. These are busy times for us all. Many of us have second part-time jobs; in most families, both parents work. Nationwide volunteerism is on the decline, Rindge is no exception. Please understand that we are not yet in crisis, we have sufficient personnel to meet our obligations, we are covering our calls... for now. About six years ago a letter like this went out and nine of you answered our call and joined the Department. Of the nine, only three remain active... several moved away, others stepped down due to growing families or increased work obligations. We thank all nine for whatever time and commitment they were able to give. For those of us that remain, there is a little extra work... a few more calls.

We are your neighbors, we have jobs, we have families just like you. We are the men and women of the Rindge Fire Department, we are volunteers and we need your help!

Report of the Fire Department

Please hear us! Come and join! Join us and you will become a part of our proud 83 year tradition of neighbor helping neighbor, a shining example of all that is good and right about our small town. We need your time, your commitment and your sweat. In return we will provide the equipment and the training... and the opportunity to be a part of our tradition. Share our pride, the excitement and the satisfaction of helping others in their time of need.

We are no longer just about fighting fires. Happily, fires are on the decline. Rescue calls are not. More than half of our calls are EMS, a mixture of trauma and medical. We need firefighters and we need people for EMS. Some of us on the Department are firefighters, some are in EMS, some do both. Not everybody wants to run into a burning building, not everybody can stand the sight of blood. We understand this. We welcome any and all that would like to try to help with any part of this job. We need people at night and we need people for days. If you are home days, and have children and only can respond when they are in school... we need your help too!

Please call me at my office here in town for further information at 899-5181. Thank you all for your time, we look forward to hearing from as many of you as possible.

The members of the department are a proud group of individuals who are dedicated in their mission to preserving the safety of the citizens and to provide services or assistance whenever called upon day or night. I would like to thank all members of the Rindge Fire Department for their service. I also would like to thank all the other departments for their support and help.

Respectfully Submitted,

Rickard Donovan
Director of Public & Life Safety

Mission Statement

"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association's recommendations. All members are required to participate in mandatory training, infectious disease training and monitoring, and mandatory random drug testing.

Rindge Explorer Post Roster

Nicole Sesia

The Explorer Post is made up of young adults from 13 years old to 18 years old, at which time they may legally join the fire department as an active member. The explorers attend the department's meetings, trainings and drills to participate and gain knowledge. The explorers also assist on scene as logistical support. They are not to engage in firefighting operations or incidents that place them in harm's way. They are a resource that helps with rehab operations, non-hazardous situations and clean-up. This program prepares the youths if they desire to engage in a firefighter and/or EMS career.

Apparatus Brief

The Rindge Fire Department has an on-going vehicle maintenance program in an effort to keep all emergency apparatus in a state of constant readiness. The fire department uses Ashcroft Preventative Maintenance Software to track all maintenance and inventory maintenance and costs. The maintenance program tasks include in-house

Report of the Fire Department

weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication, oil changes, as well as, pump and ladder maintenance; and lastly, major repairs performed by outside contractors. The cost of preventative maintenance is far less than the purchase of new apparatus. In our long-term planning, we have scheduled vehicle replacements based on the National Fire Protection Association's recommendations of a 20-year lifespan on fire apparatus. With current apparatus and future growth, this 20-year cycle will keep the Rindge Fire Department a modern and progressive organization.

In an effort to keep all equipment in a state of readiness, the Rindge Fire Department maintains and tests all department equipment throughout the year. Generators, portable pumps, chain saws, vent fans, and automatic defibrillators are tested bi-weekly. Ground ladders and apparatus pumps are tested by an independent test company on an annual basis. All Self Contained Breathing Apparatus are cleaned and tested weekly, as well as serviced by the manufacturer annually.

Fire Prevention and Education

The Rindge Fire Department continues its Fire Prevention and Education Programs in the schools and other public and private events. The Rindge Fire Department continues to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs, and CPR and First Aid to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

The Rindge Fire Department is in the process of scheduling CPR, AED and First Aid classes to be offered to the general public in 2009. There will be 2 classes in the Spring and 2 classes in the Fall.

As a part of the Rindge Fire Department's "FREE Home Fire Safety Inspection" program, we still have FREE smoke detectors available to any homeowner. Contact the Fire Chief's Office at 899-5181 ext. 110 for more information.

Fire Inspection Office

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently in-

Report of the Fire Department

spects 14 Businesses twice annually, 162 Businesses in 89 buildings annually, 15 Multi-Family Units annually, 54 Residential Rental Units annually and 10 Town and State Buildings annually. All single-family dwelling units or rental rooms within a dwelling used as rental units are subject to annual inspections under the State Fire Code.

Report of the Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Rickard Donovan, Rindge Fire Department and the State of New Hampshire Division of Forest and Lands work collaboratively to reduce the risk and frequency of wildland fires in NH. To help us assist you, please contact your local Forest Fire Warden or Deputy Warden at 801-6506 or Fire Department at 899-3324 to determine if a permit is required before doing ANY outside burning. Under State Law (RSA 227-L:17), a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands (603) 271-2217, or online at www.nhdf.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe.

Rindge Fire Department Burn Permit Schedule

Permits will only be issued after the state "Daily Fire Danger Class" announcement at 10 AM and 2 PM Monday thru Thursday at the Fire Department or Town Offices and 2 PM on Friday, at the Fire Department. Weekend permits will be issued after 2 PM on Friday. You can obtain a Burn Permit on the day you plan to burn at:

FIRE STATION

Tues. – Fri. 10 AM – 6 PM

TOWN OFFICES

Mon. – Thurs. 10 AM – 4 PM

AFTER HOURS AND WEEKENDS

Call the on duty Warden or Deputy at 603-801-6506

Friday: 5 PM – 8 PM

Saturday: 9 AM – 5 PM

Report of the Fire Warden and State Forest Ranger

There will be no permits issued on Sunday or Holidays, so plan ahead if you plan to burn on these days.

NOTE

- You must obtain a Burn Permit for all outside fires
- You must notify the on duty Warden of a burn when there is snow cover
- If we are out of the station or office during the scheduled time frame, please wait or call later, we may be on an emergency call or an inspection.
- Please DON'T call the Warden or Deputy Wardens at home. Call the cell phone.
- Please allow time for the Warden or Deputy Warden to call back after calling them. They could be on an emergency call or busy at that time, but will call you as soon as possible.
- It is the responsibility of seasonal permit holders to check the Danger Fire Class.
- It is illegal to burn household trash, treated wood, logs bigger than 5", etc. Please contact Warden or Deputy Warden if what you are burning is questionable. Only clean wood can be burned.

If you ignite a fire without a permit, the Rindge Fire Dept. will extinguish it at the owner's or responsible party's expense.

Burn Permits Issued in 2008

392 Written Category 3 (Brush)

159 Written Category 1 & 2 (Seasonal)

Report of the Emergency Management Director

The Emergency Management Director Rickard Donovan and Deputy EMD Deb Douglas were busy attending meetings and training seminars for public preparedness in emergency situations. In 2008 we completed the Emergency Response Plan. We also were able to utilize this plan during the 2008 Ice Storm that crippled the region in December. We identified some areas that need improvements and will be working on corrections and updates in 2009.

The Emergency Management Department has purchased traffic control devices for managing traffic during an emergency event. This project was developed as a result of the Hazard Mitigation Plan and is one of many phases to the project. The plan was designed to identify Hazards that the town faces and a plan to manage the clean up and recovery phases. We also purchased a new generator for the fire station, which is also the Emergency Operations Center for the town. In 2009 we will be addressing needs in the EOC to improve operations and communications. We will also be researching and hopefully developing a town wide public address system.

The Emergency Operations Center (EOC) opened two times in 2008 for snow and ice storms, heavy rains and flooding. In one event, the EOC was open for 12 days due to power outages caused by an ice storm.

We will also continue to update our Emergency Response Plan and Emergency Mitigation Plan and define plans targeting Biological and WMD events as required by Homeland Security. A lot of effort will be going into planning in 2009 to improve our preparedness.

Respectfully Submitted,

Rickard J Donovan
Director of Public and Life Safety

Report of the Building Department

The Rindge Building Department had a busy year in 2008 with approximately 500 inspections. We continue to update the inspection process to ensure that all applicable codes are met and all contractors performing the work are properly licensed in the State of New Hampshire. We will continue to look at ways to clarify the process for obtaining the necessary permits and documentation for commercial and residential building, occupancy and operation permits. This information will hopefully help the permit process go smoothly. In 2009 I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued eighteen (18) Residential Single Family Dwelling Permits; two (2) Replacement Single Family Dwelling; two (2) Replacement Mobile Homes; seventy-five (75) Residential Accessory Permits; two (2) Commercial Building Permits; two (2) Commercial Accessory Permits; seven (7) Demolition Permits; seventy-eight (78) Electrical Permits; thirty-eight (38) Plumbing Permit; seventy-one (71) Fire Safety Permits; twenty-two (22) Occupancy Permits; one (1) Conditional Use Permits; two (2) Mechanical Permits. All of these permits generated revenue to the Town of Rindge in the amount of \$64014 (Building - \$26201, Electrical - \$4060, Plumbing - \$2225, Fire Safety - \$2420, Filing Fees - \$900, Fire Reports - \$228).

Residential Impact Fees collected in 2008: \$56,186 (No Commercial Fees Collected in 2008).

5-Year New Residential Building Permit Trend

Year	2004	2005	2006	2007	2008
Total Permits	84	48	42	20	20

2004 Totals reflect 2 Townhouses with 8 units in each

2005 Totals reflect 2 Townhouses with 5 units in each

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

Report of the Building Department

The Building Department restructured the permit process in 2007. We no longer have a "one permit does all" process. All contractors are required to file a permit application to obtain a permit for their respective trade. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

Respectfully Submitted,

Rickard J Donovan
Director of Public and Life Safety

Report of the Code Enforcement Officer

The Rindge Board of Selectmen is responsible for enforcing town ordinances and decisions and they have appointed me, as Code Enforcement Officer, to perform this duty for them. I keep them informed of any and all action I undertake on their behalf.

Code enforcement can be a delicate endeavor since most often the citizen accused of violating an ordinance is unaware his or her action is unlawful. Generally a friendly reminder is sufficient to correct the mistake. Sometimes, it takes a bit more. At most times, I monitor 40 or more situations, including court cases appeals. The Town of Rindge finally prevailed in litigation of an enforcement case begun in 2005, and I am pleased to say we will recover thousands of dollars in penalties and legal fees previously expended. We await a court decision in one case and await a final court hearing date to resolve another long-delayed enforcement case.

I attend all Board of Adjustment hearings to present the Town's position in interpreting the laws and ordinances with which the ZBA must deal. The ZBA has heard several cases this year in which one of my Administrative Decisions has been challenged and they confirmed my decision. They also heard numerous requests for Variances and Special Exceptions.

If you need an interpretation of an ordinance or a Planning Board ruling, please feel free to call me (extension 113) on Mondays, Wednesdays, or Fridays. If I don't have the answer, I will certainly try to find it for you.

Respectfully submitted,

David E. DuVernay
Rindge Code Enforcement Officer

Report of the Recreation Department

Mission Statement

The mission of the Rindge Recreation Department is to offer a variety of high caliber programs for all ages to meet the needs of the Rindge community; and to develop and provide safe, quality recreational facilities that will serve the community now and for future generations.

A YEAR IN REVIEW

I reflect on our first full year in our new building with a tremendous amount of pride and deep gratitude to the community who helped us not only realize the dream, but confirm the need and desire. It has created an opportunity that enables our citizens to continually come together in a positive way, in a beautiful building, far beyond what any of us could have imagined. It certainly could not have happened at a better time!

Despite the economy, or because of it, we have been able to focus on providing more basic services and new recreational opportunities for our citizens to interact and socialize in a variety of ways. This is an absolute necessity during these tough economic times and undoubtedly fosters a stronger sense of community. We have been able to offer much more for less. It's important to remember that we went right to a default budget (with the same funding as when the department was in the Town Office building in 2007) and could only estimate the budget to operate in the new building. Yet we were considerably under budget this year and we turned a significant amount of money back to the town to offset our operational costs. That happened because we're doing business differently, frugally and with a real understanding of what is important and in the best interest of Rindge. As we head into another year of financial uncertainty; it is my fundamental belief when compared to police, fire and highway services, recreation may be considered a non-essential, though important service in difficult economic times. It therefore remains my responsibility to look at every available option in an attempt to continue to offer quality services to the taxpayers with as little financial impact as possible. I remain committed to doing that.

We experienced tremendous growth in our programs and offerings. We provided recreational opportunities for residents of all ages in 49 different programs. These activities afforded 826 participants opportunities for everything from pre-school programs to senior activities. Some were one-day events, others were seasonal or sports programs. This is the equivalent of 13,710 participant hours. Of those programs, 19 were run through coordinators or private contractors, which not only allow us to increase our offerings, but keep our overhead low.

Report of the Recreation Department

FINANCIAL RESOURCES & SPONSORSHIPS

We enlisted the help of and partnered with several community groups in an effort to continue to provide and enhance the services our residents have come to expect. We are most appreciative to the R.A.M.S. for their continued financial support. This year their donations helped with the soccer program, Halloween and the Tree Lighting Ceremony. The Rindge Woman's Club co-sponsored the RadKIDZ program and helped with the purchase of the hot dog and popcorn machines. P.O.O.R., in addition to the meat raffles, co-sponsored the RadKIDZ program and provided money for us to purchase kitchen equipment. We continued to work with the Chamber of Commerce throughout the year on a variety of projects. Unfortunately, some of the events planned did not happen due to inclement weather. The Chamber was instrumental in making the Senior Dinner happen, as well as providing much needed financial help providing food for the shelter. Franklin Pierce University and their Sports and Recreation Club provided a unique opportunity for our soccer program to have the awards ceremony and clinic there. The Club had terrific plans to put a skating rink in at the park, until the ice storm destroyed the fencing around the basketball court. We received a grant from the KMS Foundation for the after-school program, which allowed us to get it started. Many thanks as well to all the private donors and businesses that supported us financially this year with all of our events and activities. We certainly appreciate all you do and

Report of the Recreation Department

contribute to the community. Thank you volunteers, coaches and coordinators for all of your assistance along the way. We certainly could not continue without your support during these economic times!

PROGRAMS

The economy has had an incredible impact on us all, and as we struggled to prioritize and balance our programs against our budget. Some sacrifices, unfortunately, had to be made. The Easter Egg Hunt and The Family Festival were not held due to budget cuts.

We added new weekly fitness and yoga classes, as well as a daily after-school program, pre-school play group and several others, from dancing to cooking. A new weekly senior initiative was started. Like many other programs this year, we had a great response initially. By the fall our numbers dropped considerably, making it necessary to discontinue the program. We added entertainment at our monthly senior lunches. Special thanks to Dave Aho, The Rindge Memorial School Chorus and Jennie Aho, Darlene West and Naomi Jussila for volunteering to entertain us through lunch. It was a wonderful addition and thoroughly enjoyed. As always, Jean Kundert and Tom Ciglar did an outstanding job planning, cooking and serving the meals.

The Annual Senior Dinner, which we co-sponsor with the Chamber of Commerce, fell right in the middle of the storm. Thanks to Four Star Catering's ability to cook the turkeys and the determination of Chamber of Commerce members, volunteers and sponsors, we were able to package the meals. Most of our anticipated guests either picked them up or had their meals delivered. Many thanks to all those involved in making this event happen.

The Recreation Department continued to offer a wide variety of sports programs. The first year of the boys' instructional baseball program under Cal Ripken offered participants a stronger feeder program and more consistency. They have done an outstanding job and we appreciate all of their efforts. We were very fortunate and appreciative to have some amazing coordinators come forward to oversee our sports programs and ensure their smooth execution. Mike Kirby took the T-ball program, Bill Farr ran the girls softball programs, and Adam & Carrie Patria ran the fall soccer program with our new Program Coordinator, Dave Grubb. To all the parents and volunteer coaches: Thank you again for continuing to do what you do for the children of Rindge. It is because of your collective efforts that these sports programs are successful.

Our summer programs, summer day, pre-school day & swimming lessons were again very successful. What an incredible experience - to have our own building and "real" bathrooms! No more mad dashes to Rindge Memorial School when it rained. Our

Report of the Recreation Department

pre-school program numbers increased, as did our swimming lessons. The terrific summer staff did an amazing job keeping the children entertained with a variety of new projects and activities.

THE ICE STORM

The ice storm in December provided an additional challenge as we converted the Recreation Building into a shelter. Park Construction loaned us a generator, which allowed us to stay open 24 hours a day and serve over 2150 meals during those 12 long days. The shelter provided a warm place for people to gather and get supplies, support and encouragement. Thank you to everyone who assisted in any way. The shelter volunteers logged an incredible 1342 hours! Our kitchen coordinator, Jean Kundert, did an amazing job of keeping everyone busy planning and preparing an incredible amount of food. The administrative assistance and volunteer coordination efforts were handled so efficiently by Maggie & Vicki Doyle. Answering the phones, coordinating the volunteers, and organizing everything took an enormous amount of time and patience during a difficult time. And of course we extend a HUGE "thank you" to all the members of the Police, Fire and Highway Departments who worked so tirelessly getting us through - you are to be commended. We are so appreciative for all your efforts and the personal sacrifices you made to help those in need.

SUPPORT STAFF

Dave Grubb, our new Program Coordinator, joined us in September. He had a busy fall season, jumping right into the soccer program, travel basketball league and ski club. Dave graduated from Fitchburg State College, interned with the Celtics, and is very excited about sports programs. He is looking forward to strengthening the youth sports in Rindge, as well as working on a variety of other programs, including teen initiatives.

The Recreation Committee continued to meet monthly and volunteered an incredible amount of time this year, not only planning and implementing all of the programs and events, but assisting in setting policies and procedures. They take on an amazing amount of responsibility and give an awful lot of support to the Recreation Department. Without their help and unbelievable dedication we simply could not offer the quality programs we do. On behalf of the department and the community, from the bottom of my heart, thank you all for the valuable contribution you make!

Going forward, as we continue to work on implementing new programs and events, evaluate our current offerings, and prepare for the year ahead, we're seeking your feedback and suggestions. Most of our program ideas have and do come from you. Please keep giving us your thoughts and ideas on ways in which we can improve. There are plenty of opportunities for community involvement, and we're hopeful that

Report of the Recreation Department

volunteerism will rise to a new level in the coming year and that we will be able to offer more programs and activities, despite the economy. Please contact me if you would like to join us in any capacity.

Respectfully submitted,

Peggi Brogan

Report of the History Committee

The Rindge History Committee continues to work alongside the Historical Society on town history. Amy Raymond, Rindge's leading historian, has helped many people find their roots and is a genealogist extraordinaire.

Our research continues in many areas specific to the town, such as gathering information on Civil War soldiers and detailed research into the villages and the mills which abounded here at one time.

As we catalog and put away the last of the old marriage and birth certificates, we are changing focus to the antique homes of Rindge. If you, or someone you know, live in an older Rindge home, we would love to hear from you.

I would like to take this opportunity to urge you all to visit the Rindge Museum located on School Street across from the carriage sheds. It's regularly open Wednesday mornings from 10:00 a.m. to 12:00 p.m. and the first Saturday of every month from 10:00 a.m. to 2:00 p.m. It can also be opened by appointment on other days.

If you have any Rindge history you wish to share, especially relative to older houses, or if you would like to visit the Museum, please contact me at 899-5558.

Respectfully submitted,

Linda Bussiere, Secretary

Report of the Meeting House Oversight Committee

Dedicated on January 11, 1796 when church and state were intertwined, the Second Meeting House still stands as a monument to pure democracy. It is also listed on the National Registry of Historic Places. During this past year the Meeting House Oversight Committee continued on-going care and maintenance of this historic building, including:

- Installing additional attic insulation to reduce heating costs.
- Making temporary repairs to the bell tower to prevent further water damage.

The Committee continued to analyze its needs and to make recommendations for long-term capital improvements for the Meeting House, including bell tower repairs and exterior painting. Information and cost estimates were provided to the Capital Improvement Program Committee (CIP) for future planning and budgeting.

Respectfully submitted,

Burt Goodrich

Burt Goodrich, Chairman

Report of the West Rindge Common Committee

In 2007 the Rindge Board of Selectmen appointed the West Rindge Common Committee for the purpose of revitalizing the Common into a light recreation area and park for the town and the residents of West Rindge. This committee, comprised entirely of volunteers, has thinned or removed undesirable vegetation around the perimeter of the Common, exposing old stone walls and a picturesque brook.

The Mary L. Ware Park/Common was donated to the Town of Rindge in the late 1800's. In 2005 Randall Arendt, a noted rural development expert, was hired by the Rindge Planning Board as a consultant to define concepts for pedestrian corridors in the West Rindge/US Route 202/State Route 119/Franklin Pierce University area. He concluded that the West Rindge Common area should be a vital part of any plan. One of his specific recommendations was to replace the chain link fence which separates the Common from US Rt 202 with one which increased the attractiveness of this site. He also recommended changes in vegetative landscaping which is 80% completed. A fence design has been selected that will enhance the area.

A fund has been established and contributions have been made by private citizens and various civic organizations in Rindge. Approximately \$5,200 has been donated, but the amount required to replace the fence is \$21,000. Donations of any amount would be appreciated towards this long term project.

Respectfully Submitted,

Candice Starrett, Chairperson

Report of the Public Safety Building Committee

The Public Safety Building Committee met during the summer and fall of 2008 to research and report on requests of the Board of Selectmen to consider building a new Police or Fire Station separately at different locations and to analyze building the Public Safety Building on the present site but building it in stages with one station one year and the other station in a subsequent year.

Our analysis of building either station in a new location on land not presently owned by the town determined it would not be cost effective. The costs of acquiring the land and adding a building, or the costs of acquiring and renovating an existing building, were more costly than building separately at the present location.

Because of the present state of the economy and other priorities before the Board of Selectmen, the Committee recommends no building or any part of a Public Safety Building be planned for 2009. Unfortunately, this means that certain repairs in both the Police Station and Fire Station will have to be undertaken and budgeted in 2009 to bring the buildings up to code.

Respectfully submitted,

Ted Covert, Chairman
Public Safety Committee

Report of the Senior Housing Committee

In January the Committee received the Feasibility Study on the parcel of land behind the town office. After reviewing the study, we determined that the report showed that the soils and the septic placement were good, and it offered several solutions for well placement.

The Committee also researched what transportation might be available once the project was complete.

The Committee also went on a tour to see other projects in the area that have been built by Southwestern Community Services to get an idea on style, color, etc.

We applied for a grant and in November the Federal Home Loan Bank of Boston approved us for \$395,000 for this project.

In September a public meeting with the abutters was held, where Keith from Southwestern Community Services explained the project. Several questions were asked and were taken into consideration.

Due to the ice storm in December our Board of Adjustment hearing for a Special Exception was postponed until January 2009.

Respectfully Submitted,

Helen Mae Olson, Chair

Report of the Senior
Housing Committee

Report of the Agriculture Committee

The Rindge Agriculture Committee was formed in 2006 with the hope that the people of Rindge who like to farm and garden would have a place to connect. It is a committee that is for the people, not just for large farms. We have thus far drawn up a Charter that hopefully will help us fully utilize our town in a way that we can become more self sustainable.

Some of the topics we have covered are:

- Starting a Farmers Market in Rindge
- Working with the school and or Recreation Department to teach the children about farms and gardening
- The soil maps of Rindge
- Talking to government officials to help them understand the importance of the farming community within Rindge.

This committee is not all about big farms, but also for the backyard garden enthusiast, a person who would like to raise a flock of chickens for their own eggs, sharing skills to help others learn to grow, preserve, and cook their own food, and sharing hopes and ideas with friends and neighbors.

Why support local food and farms?

- From 1960-2000, the population in NH doubled and farm numbers fell 55%
- Farmland acreage also decreased by two-thirds
- When farms are lost, so is the knowledge of where our food comes from and how it is grown.

If you would like more information about meeting times and places, please feel free to call me at 899-3317 after 6:00 p.m.

Respectfully submitted,

Penny Rodriguez,
Committee Chairperson

Report of the Home Healthcare, Hospice & Community Services

In 2008 Home Healthcare, Hospice & Community Services (HCS) continued to provide home care and community services to the residents of Rindge. The following information represents HCS's activities in Rindge during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	1,282 Visits
Physical Therapy	248 Visits
Speech Pathology	18 Visits
Occupational Therapy	69 Visits
Medical Social Work	56 Visits
Home Health Aide	515 Visits
Chronic Care	974 Hours
Outreach	7 Visits
Health Promotion Clinics	12 Clinics
Meals-On-Wheels	2,942 Meals
Child Health and Prenatal Care	15 Hours

Total Unduplicated Residents Served: 130

Prenatal and well child care, hospice services, and regularly scheduled "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2008 with all funding sources is projected to be \$389,848.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants, and patient fees. Services not covered by other funding have been supported by your town.

For 2009 we request a total appropriation of \$5,599: \$3,975 to continue to be available for home care services and an appropriation of \$1,624 for the Meals-On-Wheels program in Rindge.

Thank you for your consideration.
